Who we are

Most of travel agencies in Ukraine arrange services for all type of clients: FITs, travel-agents and companies. Such approach does not allow to take care about smallest details, but, you know, details are very important in MICE-events.

Therefore we took **MICE-professionals** and few years ago set-up new **company with new energy, specializing only in MICE-events**.

We are sure that narrow-specialized company provide: More value, More attention to details, More ideas to our clients.
