CORPORATE
REGATTA

CORPORATE RACE

- Quicksail is currently the main company of Valencia in the corporate race´s organization.
- As a major product, we take care of each details: the skipper with English´s skill, a briefing given by an expert with a huge nautical experience, the best situation of “regatta” in the sea for the perfect performance of the activity.
- We take as care of our brand awareness as that of our customers, with a possibility of branding in our boat.

ACTIVITY´S DESCRIPTION

- This activity is one of the best way to learn how works a team in a competitive situation.
- According to the number of persons, we create group of 8-10 people which form the crew. The skipper will give a short security briefing.
- It´s not possible to learn nautical technical concepts and skills in only one day, however, it´s possible to learn a few general concepts.
- It´s important that the whole crew knows what the perfect sailing´s conditions are (wind…).
- The whole crew will be attentive to the other boats and their moves in order to take a tactical decision.

Our fleet

- One of the factors that strengthen us as a main company of corporate regatta in Valencia is our huge fleet.
- We provide boat from 12 to 15 meters, with an age of less than 5 years.
- We know that the key of success of the corporate events is the care of the brand awareness. Thus, we take care of our equipment, and our boats have a great maintenance.

TO TAKE INTO ACCOUNT

- The skipper are professional and used to sailing with a crew. They teach and give some piece of advice to the participants when is appropriate .
  We promote auto-development.
- For the people who suffer from dizziness or even those who have doubts, we advice you to take Dramamine pills with caffeine one hour before the departure.
- **It´s really important to have a good breakfast, above all a solid one.**
- To move well on a boat, it´s better to wear footwear with flat sole, the sport one turns out to be ideal .
- Out from the high season it is appropriate to wear hot clothes. Even though the day is sunny, on the sea the temperature is much more fresh.
- Don´t forget to use sun cream before the departure to enjoy the sailing.
- The sea is a natural environment with a huge ecological value. The absolute respect is requested.
- Please, don´t throw away anything in the water closet not even hygienic paper.
- For any doubt, don´t hesitate to ask to the skipper.
