SPIRIT OF UKRAINE

This program in the Ukrainian style should appeal to those who are still not familiar with Ukraine, but really would like to get to know this country with very old and rich historical heritage.

Just for 3 days you will discover many interesting things about the traditions of Ukrainian village, visit Pyrohovo - the largest ethnographic open-air museum in Europe.

You will see the best examples of Ukrainian architecture styles, take a part in culinary workshop on making the national dish "varenyky", and also become part of a unique folklore show.

We also offer you a sightseeing tour of the most interesting places in the city, lunch on the observation deck with a breathtaking view, the ascent to the highest point of Kyiv, as well as a visit the famous caves of the Kyiv-Pechersk Lavra.

TOUR TO CHORNOBYL

This extreme tour should appeal to those, who love the unexpected and unforgettable experiences.

The tour begins with sightseeings of Kyiv, the capital of Ukraine. It starts with the main attractions, following through the unusual places, such as tunnels under the city, Second World War bunker, abandoned underground tomb of 19th century in the heart of Kyiv and of course visit of Chornobyl museum to get the information and the taste for next day's trip.

The second day of the tour is devoted to your deep immersion into Chornobyl events of 26.04.1986 to present - the biggest catastrophe in Europe of the 20th century. To visit the restricted zone you are required to wear special suits (provided) accompanied by specially invited guides - people who perfectly know the closed zone.

All Chornobyl's secrets will be opened to you, as you will have a chance see the famous sarcophagus as well as abandoned cities and villages in same condition that residents have left them many years ago.

On your way back to Kyiv you can have a walk along the Kyiv Sea and dine in the beautiful restaurant with an amazing view.

The tour ends up with a visit to high attitude panorama sophisticated restaurant for goodbye drinks.

DISCOVER THE CREATOR IN YOURSELF

This program is great opportunity to develop your creative potential and gain unforgettable impression and experience.

The next 3 days you will get in touch with the unique Ukrainian art.

Moreover you can become part of the artist’s gallery, creating your own unique painting under the guidance of a professional artist.

The first day of the tour is devoted to visiting the best art galleries in Kyiv: the famous Art center of Victor Pinchuk, who is a regular participant of the Venice Biennale, a unique museum of the Ukrainian Frida Kahlo - Maria Pryimachenko and also amazing Microminiatures museum of Mykola Syadrysty, whose creations never leave any visitors indifferent.

The second day you will have a chance to take a participation in a folk crafts workshop, during your visit to Pyrohovo - the largest ethnographic open-air museum in Europe. You can also have opportunity for a professional photo shoot while trying Ukrainian traditional style garments (national clothes are provided).

DISCOVER THE CREATOR IN YOURSELF

The third day you are going to get a real excitement - an unforgettable painting workshop, where you can open your talent under the guidance of the professional artist.

Best art restaurant with special atmosphere and great company will help to create something really special that will become a great memory about that memorable and non-typical trip (you will collect your creation as a gift).

SPORTIVE KYIV

This program should appeal to those who love a healthy lifestyle, as well as following sport events.

Kyiv is famous not only for Klitschko brothers, whose museum we will visit, but also for its rich sports life - the World Cup and European football and hockey championships regularly take place here, in addition to Euro 2012.

The next day you will have an excursion to the Dynamo training base located in the picturesque place outside of Kyiv “Koncha Zaspa” (12 km away from Kyiv) and take part in a training match one of the team.

Also you may visit a cozy restaurant with many trophies of the renowned team.

The third day we will have a fascinating quest to interesting sports-related places in Kyiv.

Dinner in a restaurant owned by one of the Kyiv’s Dynamo player will pleasantly end our evening.

UKRAINIAN GASTRO TOUR

This program is to those who like to get acquainted with the culture of the country through the gastronomy. Ukrainian restaurants and Ukrainian cuisine and hospitality are very well known all over the world! Therefore, we suggest to spend **3 days** in a gastro trip around Ukraine, without leaving the capital.

The first day you will have an excursion to the best restaurants in the city, including the famous Bessarabian market where you may find the best natural and organic products from all regions of Ukraine.

The second day we will introduce you to an old Ukrainian cuisine and let you try traditional Ukrainian varenyky, galushky, salo, as well as famous Ukrainian gorilka with many different tastes. The third day we offer you gastronomic workshop by one of the best chefs in Kyiv. You will be able to cook famous and tasty dishes of Ukrainian cuisine, having preselected the products on the Bessarabian market along with our chef.

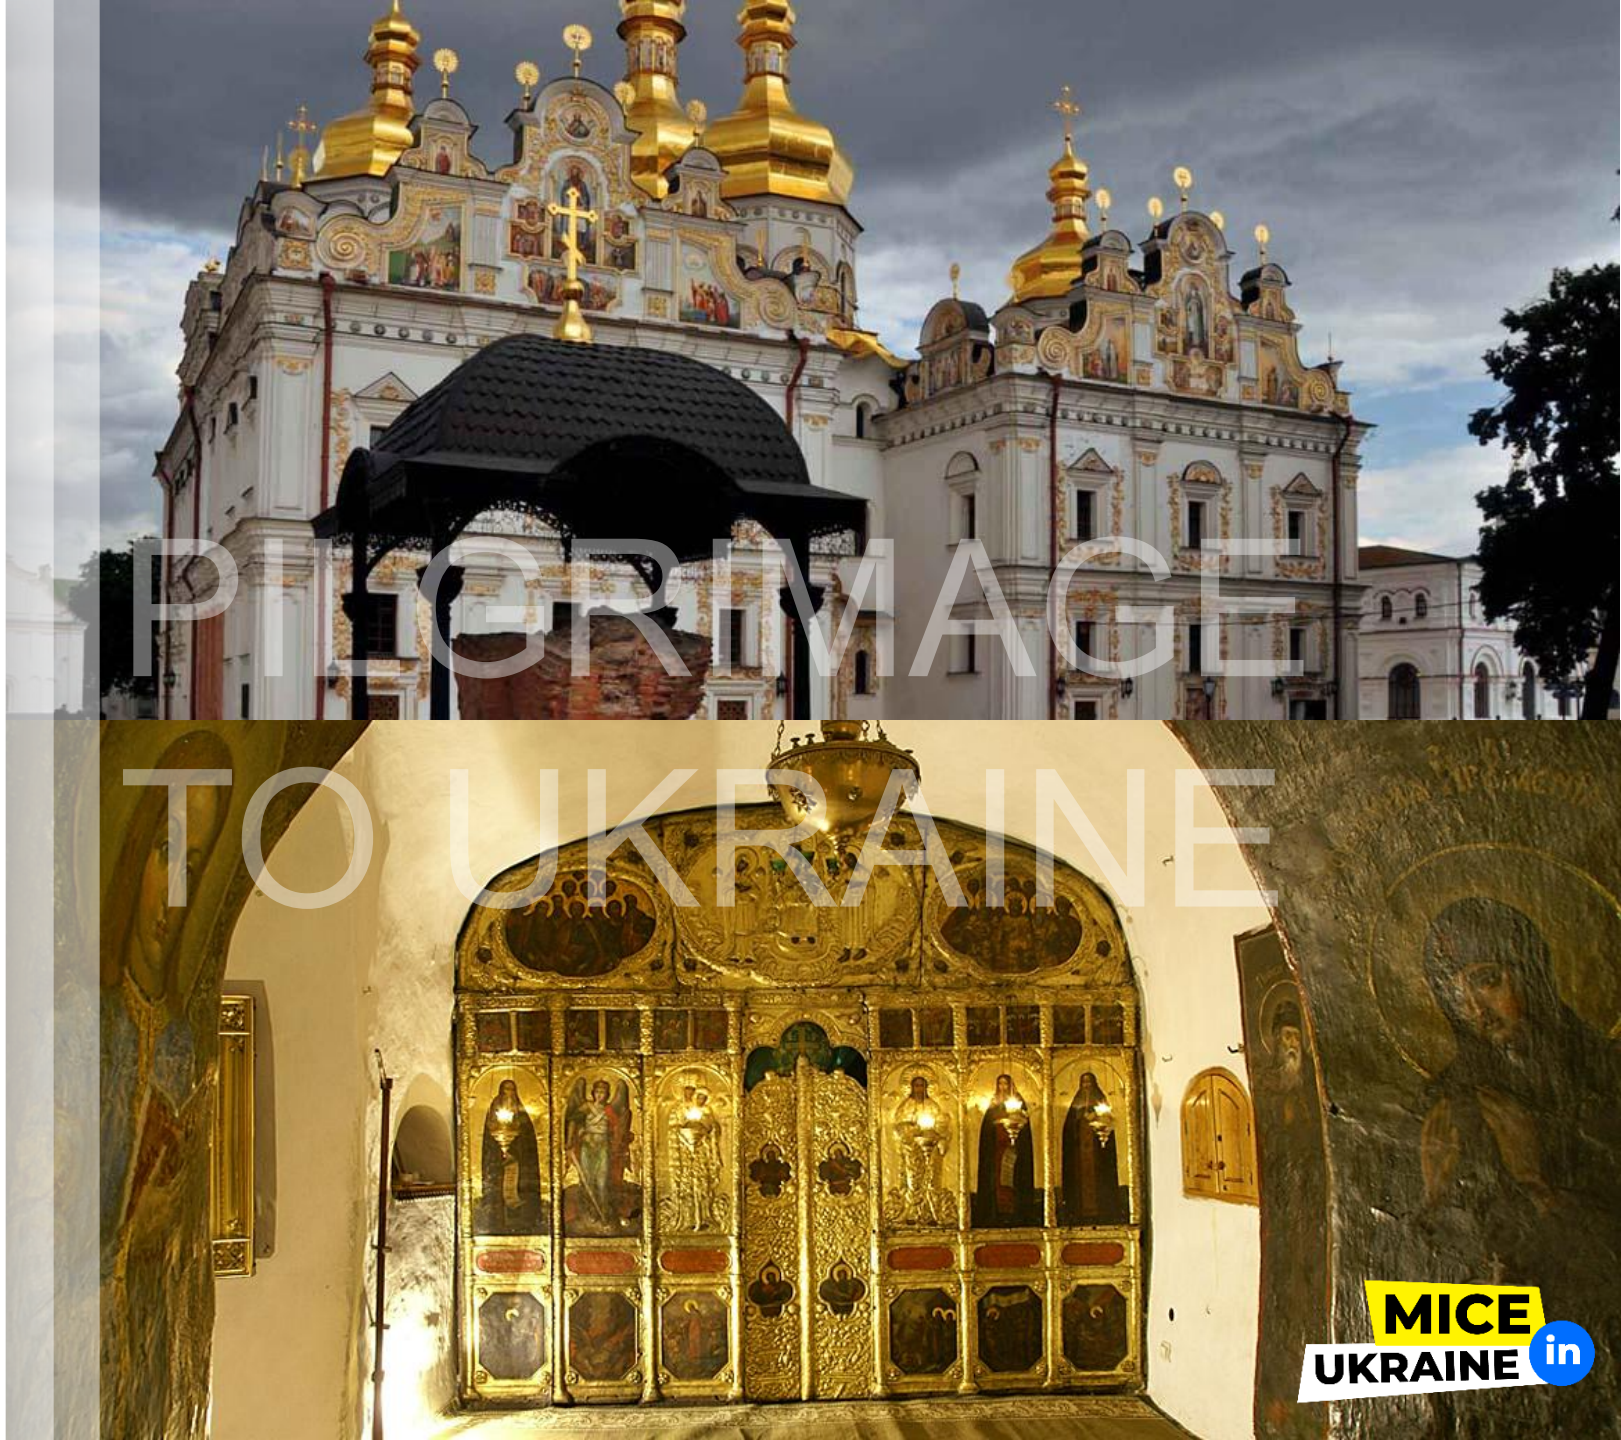

The tour ends up with a wonderful evening in the best Ukrainian restaurant Tsarske selo, where you will become part of the unforgettable Ukrainian show.

PILGRIMAGE TO UKRAINE

This program will appeal to those who know Kyiv as the cradle of Eastern European Christianity. Old Ukrainian baroque style architecture of 11th century will impress travelers as well as picturesque decoration of churches will not leave anyone indifferent.

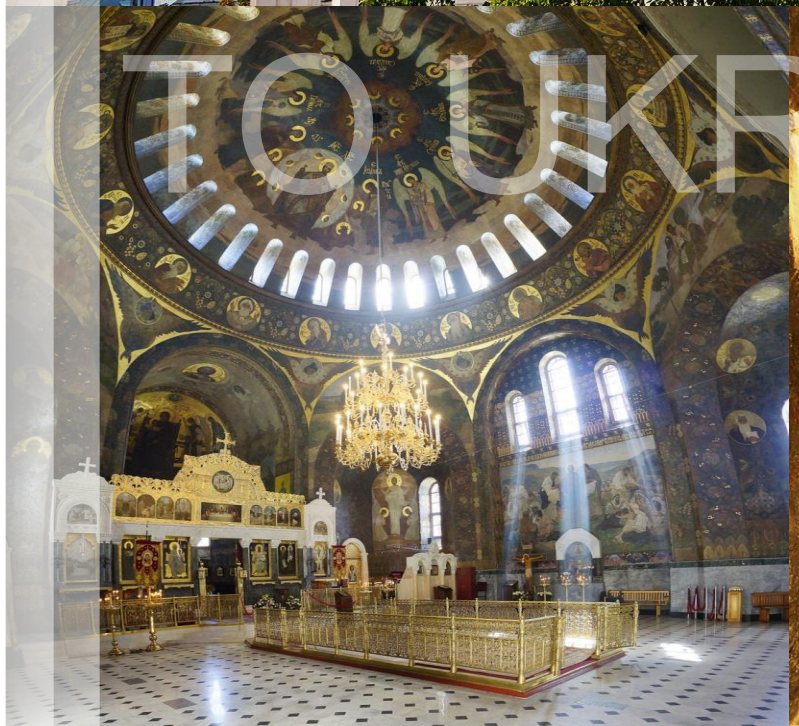

During this tour you will visit the oldest shrine of Kyiv, a UNESCO World Heritage Site, St. Sophia Cathedral that will appear in all its glory in front of visitors with its famous frescoes.

Also you will see famous Kyiv-Pechersk Lavra monastery and its famous caves; a monastery located in the forest, not far from the center of Kyiv; caves Kytaevo monastery and many other interesting places (there are 10 monasteries and more then 100 churches in Kyiv city).

We will climb to 2 highest bell towers, see the famous frescoes by Vasnetsov, and you shall also try food in the authentic dining room for pilgrims. You may take part in the workshop for church hand crafting such as candles and prosphora (special breads for the Orthodox mass), to see the life of the monks of the Pechersk Lavra, and also get acquainted with the traditions of the Orthodox Church.
