Your local Australian Partner with a Global Vision!

39 Degrees South is a Destination Management Company that operates on behalf of international travel agencies as local travel partners. As an inbound tour company, 39 Degrees South will give you an in-depth understanding, and coordinate your travel opportunities in Australia for your clients.

The company has as its founders, 2 industry stalwarts with a collective experience of over 70 years in the travel and tourism industry. Their experience stretches across continents from USA, Middle East, Asia and Australia and ranges from travel agencies, both leisure and corporate, to airlines and tour operators, both outbound and inbound.

Our Services:

Itinerary planning, contracting, providing accommodation, transportation, entrances to attractions, Sporting events, local touring, event management, entertainment, team building, multi-cuisine requirements, pre-and post-convention touring for business travelers, organization & execution of tours for leisure groups as well as individuals.

Our Vision:

39 Degrees South will extend, enhance and awaken travelers to the excitement of exploring new destinations and experiencing the local culture.
