About Us

The D-Event agency is specialized in business tourism and events. The Agency is a mixture of perfectionism and belief; we can assist you in the overall realization of your total affinity using the identity and values of your brand.

Based on the proximity and the reactivity, our approach allows us to answer your requests according to your expectations and your budget.

We will guide you in the design, creation and implementation of your corporate events, by focusing on three crucial concepts: listening, support and advice.

Meeting–Congress – Company agreement- work shop - Incentives - press conferences……..
