Event Production Company

Our specialized departments allow us to create 360º solutions, which is what makes Habti Event different from other agencies.

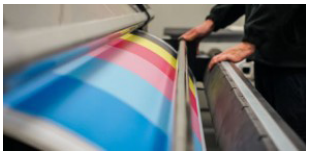

Habti Event is an agency that specializes in global Event and production. Our in-house production departments allow us to provide highly personalized solutions. Decoration and props, printing services, 2D and 3D technology, AD production, scenography and structures, design, entertainment and video production and editing – we offer all these services without using any external suppliers, which allows us to provide excellent customer service throughout the entire process.

Our multilingual team is made up of industry professionals whose aim is to deliver the most innovative and high quality solutions to our customers' needs.

Decoration

Decoration, props and furniture for events and thematizations. Thematization and personalized spaces.

Printing Services

Digital and offset. Large format printing on all kinds of materials.

2D And 3D Technology

Application development, 3D animation, virtual reality, augmented reality and personalized technological developments for your events.

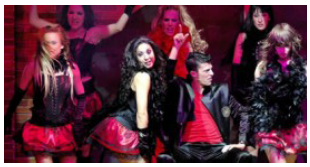

AV Production

AV services for corporate events, presentations, stands, conferences and trade fairs.

Scenography And Structures

We design, manufacture and build stands, scenographies and permanent and .ephemeral structures for any event

Entertainment

We run the selection and hiring process for finding the best entertainers and show production personnel.

Design

Graphic design, branding, logos, interior design, architectural design, scenography and signs.

Video Production And Editing

Scripts and AV content creation, editing, post-production and sound.

Our specialized departments allow us to create 360º solutions, which is what makes Habti Event different from other agencies.

PCO

Professional Congress Organization

Our in-house production departments allow us to offer global services for conventions and events.

Habti Event is an agency that specializes in conference organization. We offer a wide array of consulting and event services as well as corporate travel and professional meeting solutions.

We have years of experience in event and conference planning and management – locally, nationally and internationally. Our multilingual team specializes in corporate events, event and conference organization and team building, which allows us to create highly personalized projects for our customers.

Innovation is part of our job. We use our know-how and experience in business trips and corporate events to offer the highest standard of service and quality.

At Habti Event OPC we take every single detail, no matter how small, into consideration in order to provide the best solutions to our customers' needs.

1. Planning Phase

- National and international candidate presentation.
- Data analysis of previous conventions.
- Viability study and action plan.
- Quotation and tax consultancy. Destination and venue search.

2. Technical Secretariat

- Creation, design or adaptation of the convention logo.
- Official website development and management.
- Database creation and management. Permanent report management.
- Registration form creation and management.
- Social events calendar.
- Printing, mail and e-mail.

3. Scientific Secretariat

- Abstracts form design and creation.
- Communications plan and poster design.
- Speaker, moderator and guest management.
- Sharing and publishing final presentations and communications.

4. Advertising And Sponsorships

- Exhibition area and exhibitor and sponsorship catalog design.
- Revenue management.
- Exhibitors and sponsors management (prospects and negotiations).
- Extra services management (stands, furniture).
- Assembly and dismantling.

5. Coordination

- Design. Digital and offset printing.
- Catering.
- 3D design, software and apps.
- External supplier selection: we look for the best event personnel, hotels, restaurants, venues and transportation and get the best deals.

6. Convention Marketing

- Communication and Marketing plan.
- Event promotion.
- Database for future conventions.
- Online and offline press office and media management.
- Social Media Marketing and web 2.0.

DMC

Destination Management Company

Habti Event DMC (Destination Management Company) specializes in organizing corporate events, team building, incentive trips and conferences.

Habti Event DMC is a Destination Management Company that provides event and conference solutions throughout Morocco (a country with a population of 47 million people).
As a DMC, our main services are: Event and Incentive Management, Conference and Congress Management and Gala Dinner Venues and Entertainment.
Whether you are looking for a great location to celebrate a special incentive program or a venue for your next conference or gala dinner, Habti Event DMC will provide the very best each destination has to offer. Morocco offers excellent infrastructure (airports, train station and freeways) for large events, conferences and conventions.
We manage your events and conferences from beginning to end. We provide a global solution: consultation, planning, management, organization, creation, coordination. We make it happen the way you want it to happen — efficiently, effectively and very successfully!
