MALTA & GOZO
TOURS

Half Day Valletta Tour– duration of tour 4 hours

Visit Malta's capital city – Valletta

Upper Barrakka Gardens

These gardens occupy the elevated space on the ramparts of St. Peter and St Paul Bastion. The garden was laid down in the mid 17th Century to provide a peaceful retreat for the pastime and relation of the Knights

St. John's Co-Cathedral

This splendid church was built between 1573 and 1577 during the reign of Gran Master Jean de la Cassiere. A baroque work of art in its architecture and sculptures, this Church boasts some of the most beautiful works of art by Mattia Preti and Caravaggio himself.

The Palace Armoury

The Palace Armoury dates from 1763 when Emanuel Pinto de Fonseca was Grand Master. Until 1976 the Armoury occupied a large hall at the rear side of the palace, but in 1976 this was taken over for use by the Maltese grand and beautiful building, it is today the seat of the President and Parliament of the Republic of Malta.

Visit to The Malta Experience

A 45 minute audio visual show illustrating the history of the Maltese Islands

Half Day Malta South – duration of tour 4 hours

Visit the Three Cities and Marsaxlokk

The Three Cities
These small cities go by the names of Cospicua, Senglea and Vittoriosa. They are popularly known as the Three Cities, a term which was first used during the French occupation, when Napoleon decreed that Malta was to be divided into a number of administration units.

Marsaxlokk – Fishing Village
Marsaxlokk is the foremost fishing village and perhaps the most picturesque seaside locality in Malta. One can here admire the small fishing craft the 'Luzzu' and 'Kajikk' painted in vivid colours or red, yellow green and blue floating lightly on the calm waters of the bay

Half Day Mdina & Valletta Tour– duration of tour 4 hours

Visit Malta's Silent City - Mdina and the Capital city – Valletta

Mdina, The Silent City

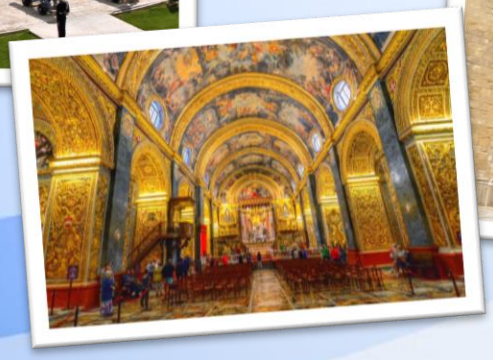

The old capital of Malta is a typical mediaeval, walled city situated in the centre of the Island. Mdina is the seat of several noble houses, including the islands' oldest titled family – created barons in 1350. The "Silent City", as it is also known, commands magnificent vistas of the island.

Valletta – Malta' Capital City

Walk through the bustling streets of Valletta and to Barracca Gardens for a breath-taking panorama of the Grand Harbour and then to St. John's Co-Cathedral, visiting the church museum. Walk to St. George's square and the Grand Master's Palace ending at the Lower Barrakka.

Half Day Malta Central– duration of tour 4 hours

Visit Mosta, Ta' Qali and Mdina

Mdina, The Silent City

The old capital of Malta is a typical mediaeval, walled city situated in the centre of the Island. Mdina is the seat of several noble houses, including the islands' oldest titled family – created barons in 1350. The "Silent City", as it is also known, commands magnificent vistas of the island.

Mosta

This Rotunda at Mosta is one of the most conspicuous churches in Malta. The Church in form of the pantheon in Rome was designed by George Grognet De Vasse and constructed in 1833 – 1860. During World War 11 this church miraculaously survived and aerial attack when a bomb pierced the dome and ricocheted inside the Church without exploding.

Ta Qali Crafts Village

The village is a big attraction for tourists who can see Maltese craftsmen at work and view the product of their handiwork. Blown glass, gold, silver and filigree ware, ceramics, ironwork, knitwear and other goods are on sale at the souvenir outlets in this handicraft centre

Half Day Blue Grotto & Marsaxlokk– duration of tour 4 hours

Visit Blue Grotto and Marsaxlokk

Blue Grotto

Blue Grotto is an unspoilt popular beauty spot and a geological curiosity consisting of a natural arch and a deep-sea cave formed in the rock face of the surrounding cliffs.

Marsaxlokk – Fishing Village

Marsaxlokk is the foremost fishing village and perhaps the most picturesque seaside locality in Malta. One can here admire the small fishing craft the 'Luzzu' and 'Kajikk' painted in vivid colours or red, yellow green and blue floating lightly on the calm waters of the bay

Half Day Temples– duration of tour 4 hours

Visit Hagar Qim & Mnajdra, Tarxien Temples, Ghar Dalam

Hagar Qim and Mnajdra Temples

Hagar Qim and the neighbouring Mnajdra are two groups of temples situated on high open wasteland near the southern seacoast of Malta. The Hagar Qim site was discovered under a mound of rubble and debris in 1839

Ghar Dalam

The underground cave of Ghar Dalam (The Dark Cave) is not a prehistoric temple. In fact it is a cave, which served as the abode of the first Neolithic settlers of these islands about 6000 years ago. More over Ghar Dalam Cave provides special interest in relation to Malta's geological past.

Tarxien Temples

This group of temples is situated in a densely inhabited quarter of Tarxien consists of three temples the oldest of which is the latest of all known temples in these islands.
