Soundshine Band

The other kind of live band. By merging singers and musicians with a DJ, we are able to get closer to the original than other show bands. The DJ will assume the task of a stage director, a conductor and the function of a musician, who plays the original samples.
Fascinating moments of excellent entertainment will create unforgettable emotions.

Soundshine Band

DJ Mini

Disco, Party Classics, House, Funk or even Ambient Lounge sounds: Mini hits the right tone in all kinds of music. His empathy and long term experience gets mixed up to a charming strength which lifts you up. He transfers his music based on the mood of his audience and reaches a unique atmosphere. His experience makes him guarantor for an absolute party feeling. He lives his profession according to the motto: „music connects“. Therefore Mini understands to entertain his audience on a high level and casts a spell over everyone.

Soundshine Showproduction

Whatever event / show format is developed, it should surprise, activate and delight the target audience. That's why event concepts are not just created by us, but are the result of a coordinated, controlled process. Innovative, individual and charming show concepts are created through contemporary stagings with soul that enchant people and brands, so that your messages are perfectly staged and the sustainability is focused on your products.
