PCO & DMC

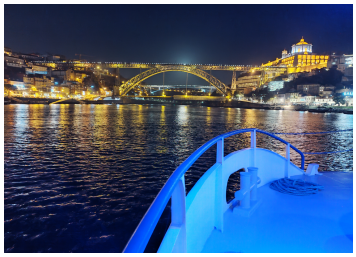

PORTUGAL IS THE PERFECT MICE DESTINATION...

Portugal offers a unique diverse and exciting range of cultures, climates and landscapes; from the sunny white-sand beaches of Algarve, the restful Alentejo, the gorgeous sceneries, art and culture from greater Lisbon, the Center and the North of Portugal to the tropical Madeira Islands and the one-of-a-kind Azores Islands.

Portugal invites you to come and to experience its culture, traditions and friendly people. Speaking about identity to be Portuguese is to be sociable, warm-hearted, imaginative, sentimental, and open to the world.

We cannot wait to show you Portugal!

Forum d'Ideias is a creative agency specialized in corporate events, Incentives, scientific symposia, international conferences and meetings in the fields of Professional Conference Management, Event Management, Destination Management and Venue Finding Solutions.

We create innovative solutions for your face-to-face, virtual or hybrid event, incorporating the latest technology to your event.

With more than 20 years of experience and constant evolution in the market, we supply our services throughout Portugal. One of our main goals has been to be hands-on with MICE business in this area.

Our several long-term clients show that we are a trusted formula for the organization of conference and event services with creativity and attention to detail to reach the goals.
