Destination Management Company
Southeast Europe

MESSAGE FROM CHAIRMAN OF THE BOARD

Since it was founded in 1996, travel company Uniline has reached the status of the leading destination management company in Croatia and the region of Southeast Europe. Thanks to the results achieved over the years, as well as an extensive network of business partners, today Uniline has a significant market share in the region and has made a significant step forward into emerging markets globally.

Uniline's great success is based on incoming and outgoing tour operating, offering accommodation, excursions, rent-a-car, transfers, individual and group travel, organization of sports events, congresses, health tourism, hotel management, tailor made programs, and many other tourist services.
