creativity, *unlimited*

www.boundless.ae

Boundless is a leading exhibition stand solutions provider in the Middle East, specialized in exhibition stand design and production. With quality service as the company's main thrust, you can be assured that you're getting only top-of-the-line output when it comes to your exhibition needs. Granted with a number of awards, Boundless has proven excellence in local and international exhibition stand construction services. Our projects speak for themselves as innovative designs are our winning factor. The company's hard work has been recognized as we bagged the Gold Award for Most Innovative Stand Design at the Tyrexpo Asia in Singapore and Special Citation for Best Stand Design at the Automechanika in Moscow. We are composed of accomplished professionals who are committed to creating unique and innovative exhibition stand designs. We have a full in-house design and build capability that enables tailor-fit designs that are suited to your needs and requirements. We combine functional and innovative exhibition stand designs with outstanding project management resulting in top-of-the-line quality, leaving a positive impression on your exhibits.

MISSION

"We make it our mission to create a seamless exhibition experience for our clients through unlimited creativity and exceptional customer service"

VISION

"We aim to empower our team through constant skill upgrades, leadership coaching and client service culture - TO BE THE BEST IN CUSTOMER EXPERIENCE IN THE EXHIBITIONS INDUSTRY - and that's our vision."

In Boundless, we want your exhibition stands to draw your target market. We value your team's endeavors in creating marketing campaigns that will maximize results. We offer in-house services, so we will be with you in every step of the project, from conceptualization to implementation.

Boundless offers a wide range of services for your exhibition stand needs.

Exhibition stand design, production and installation

Our team will assist you in creating exhibition stands that will promote your brand and creatively communicate your company's message. We will work with you to help you translate your ideas to designs that will fit your requirements, in both aesthetic and financial aspect.

Graphic design, production and installation

The three-dimensional impact of exhibition stand is one way to leave a lasting impression to your target market when they visit your booth. Our services include poster, artwork designs, digital printing, 3D cut-outs, 2D cut-outs and various type of signage. We have a pool of experienced builders and technicians, so we ensure you of only quality output.

Promotional kiosks design, production and installation

Whatever your project requirements are, be it big or small, simple or sophisticated, we can help you create a set up that will be perfect for the size of your location. We also customize mall kiosks and mall stands that are appealing to the eyes of your target market that will definitely make your kiosks stand out.

In-store design, production and installation

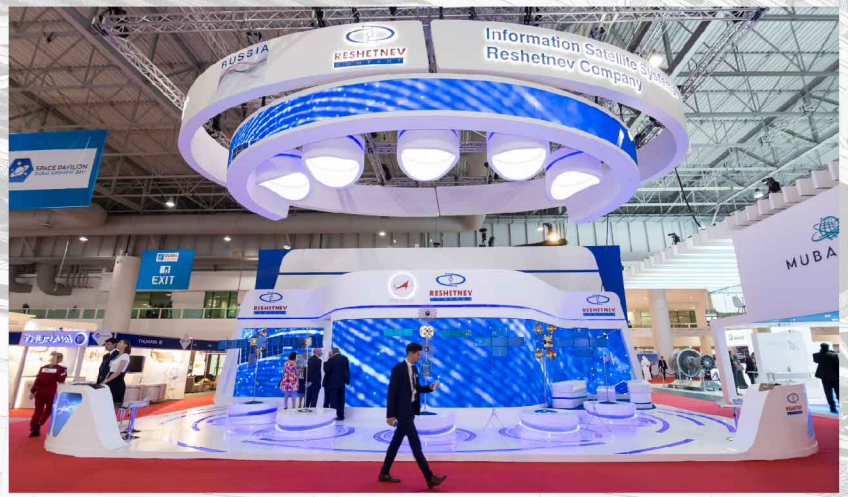

To ensure you draw your target market's attention, we will help you by creating striking customized displays for your shops. We also create customized glass displays, racks and store displays. We combine the best solution of print media technology and customized in-store displays to ensure that you get maximum results.

Event structure design, production and installation

Whatever your company's goals are for these events, be it launching a new product or service, lead generation, building relationships with new partners, or marketing new products of services, we can make it work for you. The company specializes in event structure design, production and installation. We have built numerous projects with customized state and customized event structures.
