: ABOUT US

THE GENESIS OF YOUR EVENT - CREATIVE TECHNICAL PRODUCTION

Covering the GCC and Middle East region

Events without light, sound and video are like black and white movies. Our highly trained professionals provide top-notch counsel to make your event come to life by infusing it with light, sound and video using exceptional creativity and the latest in modern technologies. The GCC and the Middle East have specific event requirements and we anticipate and respond to them efficiently and industriously.

More than 25 years of experience

We know events, and have been jazzing them up for close to a generation. Festivals, concerts, corporate events, exhibitions, TV shows, product launches, weddings and private parties we can do it all. Our events have been graced by the presence of royalty, global celebrities, government dignitaries and the crème-de-la-crème of Middle Eastern society.

: ABOUT US
TECHNOLOGY & EXCELLENCE

TriTec AV is the region's preeminent technical production company. We understand events and act as a trusted advisor to take your event to the next level by providing you with the latest in light, sound and video. The GCC and the Middle East have specific event requirements and we anticipate and respond to them efficiently and industriously.

Our creativity knows no bounds and we assist in making your event memorable with our thoughtful advice and unabashed imagination. You see your event is our inspiration and using the latest modern technologies we make it a canvas for our audio visual extravaganza. With a team of highly qualified and experienced professionals, we have been in the events business for 25 years and have run the gamut of event genres: festivals, concerts, weddings, private parties, conferences, exhibitions, TV shows and product launches. Leaving no stone unturned, each and every technical detail of your event is handled by us. From video presentations, sound distribution, audio engineering and lighting design, to stage building, tent hire and special effects, and lots of creativity we are a one-stop technical solution provider.

100% - You demand, we respond

Bring us your event idea and we will make it a reality. TriTec AV will exceed your expectations with a dedicated team that will be assigned to your event and only your event. So you get 100% of their time.

FROM THOUGHT TO FINISH – WE DELIVER CREATIVE TECHNICAL SOLUTIONS

Professional lighting, sound, video and creativity courses through our veins. We're here to infuse your event with the best that technology can offer implemented by the best minds in the business - our expert engineers. We use state-of-the-art equipment and here is a snapshot of what we provide:

: OUR SERVICES
BRIMMING WITH IDEAS

CREATIVE DESIGN

We treat your event like it is ours. From the initial briefing to the very end, we abound with ideas in creative technical design. We also ensure that no idea is repeated twice so that each event maintains its uniqueness. Add to that our savvy problem-solving skills which ensures that roadblocks and hurdles are overcome flawlessly.

: OUR SERVICES
WATTS COOKIN'?

LIGHTING

TritTec AV's lighting solution takes your event out of the dark ages to add pizzazz. Our team of designers and engineers will light up the event using creative automated and conventional lighting fixtures to handcraft the right ambience. Our main fixture brands include Clay Paky, Martin, Studio Due, and Selecon. Designers operate our top industry standard light mixing desks that include the Grand MA and Avolites.

: OUR SERVICES
HERTZ SO GOOD

AUDIO

Whether it is a concert at 115 decibels or a speech delivered by a dignitary or a farewell from father to his daughter at a wedding, our acoustic solutions remain unsurpassed. Our sound engineers use our high fidelity mixers, microphones, processors, and amplifiers to give your event the audio clarity it needs. Our main PA brands include d&b Audiotechnik and Adamson. Audio mixing desks range from the digital Digico and Yamaha to the analogue Midas models.

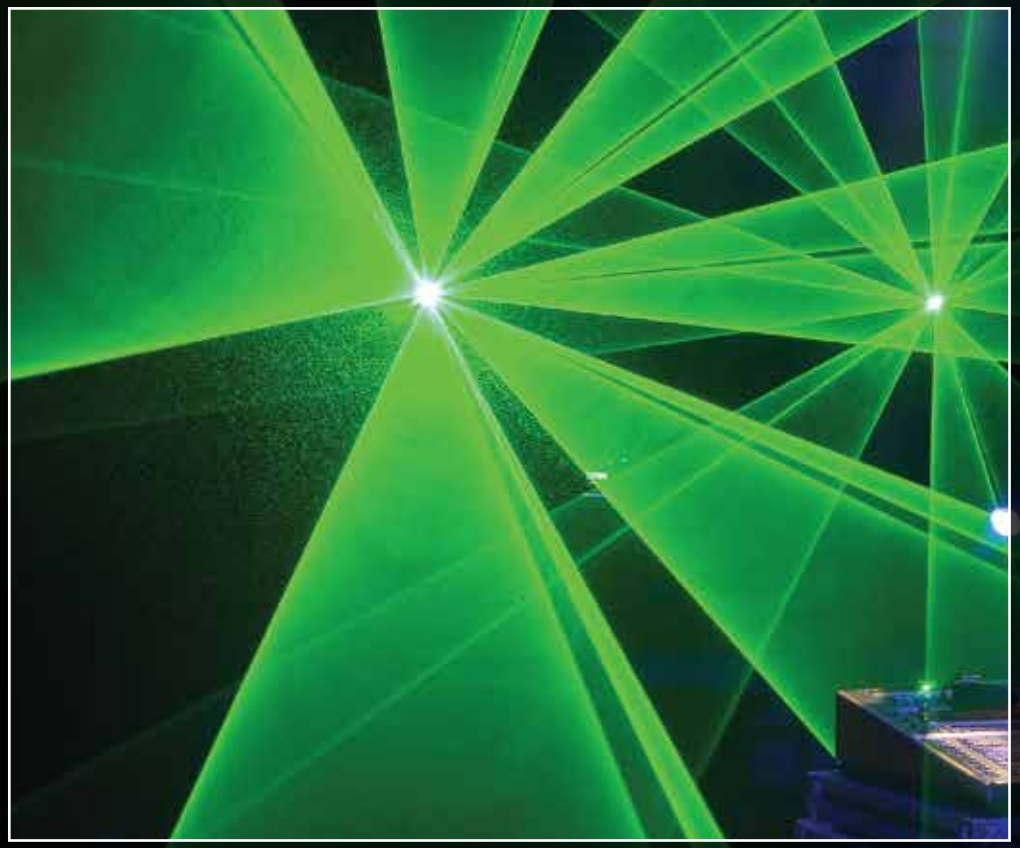

: OUR SERVICES
SQUEEZE MY LUMENS

VIDEO

A video is worth a thousand words and adds emotion and personality to any event. We operate the highest quality projection and video display equipment of international standards. Be it a small function or stadium concert, we manage video switching, distribution, video mapping and control to perfection. We can video map on any building or structure, give us a blank canvas and we will bring it to life. Using giant screen displays of up to 20 meters high, coverage is never questionable. We also have a large roster of LED screens in all shapes and sizes to add more fun to your event.

: OUR SERVICES
BEAMS & COLORS

LASER

Events can be just events or you can make them into memories etched with indelible lasers. Laser shows and projection adds to making your event unforgettable. At TriTec AV our multi-colour LOBO laser systems program animation, mapping and/or audio synchronized laser beam effects can take your event from drab to fab.

: OUR SERVICES
SIZE DOESN'T MATTER

TENTS

From big to small to different shapes, our tents are the perfect fit for any outdoor event. We customize the tents to your event needs and size. We also have our multi-purpose large-scale versatile tent made of durable "black out" fabric that works with all climates, themes, and crowds. Using creative interior designs, fabric and decorative lighting, your theme will be played out to the very last detail.

: OUR SERVICES
SAFETY COMES FIRST

RIGGING & STRUCTURES

TriTec AV is equipped for optimum standard rigging of light and sound equipment. Our warehouses are packed with aluminum boxes and decorative round trusses for stage rigging and high technical flexibility. Trussing brands include: Total Fabrication, Eurotruss, Prolyte and CM Lodestar hoists. Good thing we aren't afraid of heights!

: OUR SERVICES

EYES BOGGLE, JAW DROPS

FIREWORKS, PYROTECHNICS AND EFFECTS

An explosion of colour and night sky fills with glowing light spectacles that will have all your event attendees in awe. We can provide you with jaw-dropping fireworks and pyrotechnics for your event. Our pyrotechnics experts can raise the bar of your event using new techniques such as: airburst, flame projectors, aerial fireworks, flares, strobes, comets, or dancing water fountains in all colors, calibers, and shapes.
