What we do

- Programs

- Experiences

- Incentives

- Events

Programs

Our offer is based on the idea that **each visitor is unique and as such we customize each program to the clients needs**, adjusting the activities, accommodations, timings, transport etc.

We work with **FIT clients** ensuring regular monitoring of the trip and a close contact during their stay, but we also **work with groups** ensuring the best guides and tour leaders during the entire program and quality providers for all the logistic.

Regardless of the type of client we **are always available to create programs from scratch**, so that our clients can have unique and exclusive experiences.

Experiences

We want you to go local and be part of our day to day activities, but also our cultural and traditional experiences.

Incentives

We organise different incentive programmes in Portugal, always **adjusting the activities to the objectives of the company** and group.

Each Incentive is created from scratch making it unique, the programs can include, meetings, events, challenges, special themed meals, different and creative **team bonding** and **team building activities**.
