WHY **BOLIVIA?**

- **Landscapes**: It has unique and beautiful places, such as the Salar de Uyuni, Potosí, Lake Titicaca, Isla Sol, Laguna Colorada, Dalí Desert, Laguna Verde, among others.
- **Flora and Fauna**: Plant and animal species of almost all climatic zones are found due to the varied topography of their territory.
- **Culture**: Full of interesting and unusual traditions. Its main customs are, for example: The Oruro Carnival or the Pacha Mama Ritual are unmissable for many tourists.
- **Architecture**: The ruins of Tihuanaco and the Inca roads especially to the north of La Paz and the highland architecture in Bolivia are interesting examples of the amazing pre-Columbian architecture.

DESTINATION BOLIVIA

Bolivia is located in the Central-Western part of South America.
It limits to the north and to the east with Brazil, to the south with Paraguay and Argentina, and to the west with Chile and Peru.
It has a population of 10 million inhabitants.
