Safety and well-being plan

FUNDAMENTAL ISSUES

According to the recommendations of who (World Health Organization) and Tourist Institutions.
We would like to highlight the safety and welfare plan that we will be carrying out in our next circuits:

TRANSPORT (IN COACH AND CARS FOR TRANSFERS)

- Disinfection and cleaning before and after each service .
- Ventilation and constant change of air filters.
- Complimentary provision of disinfectant wipes, alcohol gel and masks.
- Pre-assigned seats on the bus.
- Safety kit for each client.

ACCOMPANYING GUIDES/ LOCAL GUIDES/ TRANSPORT COMPANIES

- Provision of a disinfection kit during the entire trip.
- Use of audio guides during walks to maintain a safe distance.
- Mandatory use of gloves when transporting customer luggage.
- Purchase of online tickets only.

HOTELS

- Provision of disinfection gel free of charge in common areas (restaurants, lobby, bar).
- Mandatory safety space guaranteed in restaurants and bars.
- Controlled access in specific areas (swimming pool, gym, restaurants).
- Installation of glass partitions for the separation of food at the buffets.

TRAVEL SAFE - TRAVEL SMART
