KID’S CLUB

The National Golf Club is situated in Quba in the north-west of Azerbaijan sitting at the foot of the breathtaking Caucasus Mountains. Designed by Jon Hunt from International Golf Design, this was the first golf course to open in the “land of fire”. During the summer of 2014 and less than two months after its official unveiling it was the host venue for the country’s inaugural professional event, the Azerbaijan Challenge Open. A fully equipped purpose built clubhouse offers luxurious locker rooms, a professional shop to suit every golfers needs and a truly unique dining experience which enhances the experience at The National Azerbaijan Golf Club. The welcoming interiors and magnificent views of the golf course with its charming surrounding landscape offer something for every taste persuasion. The Challette Steakhouse Restaurant

Weddings

THE CHALLETTE STEAK HOUSE

The gourmet restaurant (or, as the chefs say, fine-dining) with a magnificent view of the picturesque mountain landscape “Challette” is also “Steak House”. This “duality” immediately allows guests to decide on the choice of a place for lunch and dinner. The restaurant is two-storey: on the ground floor, you can drink a cup of aromatic coffee or fragrant tea, enjoy refreshing and alcoholic beverages. Well, or have breakfast if you are an “owl” and an avid gourmet

“MOSAIC” RESTAURANT

Restaurant “Mosaic” provides organized breakfasts, lunches and dinners. It is open from 8:00 to 11:00, it has a great interior design and high quality of both the served food and the service. Breakfast is served from 8:00-11:00, lunch is served from 13:00-17:00 and dinner is served from 19:00 to 23:00

LOBBY LOUNGE BAR

The bar offers a wide range of local and foreign alcoholic and non-alcoholic beverages, cocktails, desserts, as well as fast food, tea and coffee at any time of the day

MEETINGS AND EVENTS

We offer conference rooms of the highest design. The area of one of them, “Shimal Hall” is 1320 sq.m. and allows you to accommodate up to 600 persons. The other two - “Baku Hall” (175 sq.m.) and “Khazar Hall” (170 sq.m.) are designed for 24 and 80 persons

Quba Palace is the perfect place for your wedding, regardless of whether you decide to hold the ceremony outdoors or in the stylishly decorated magnificent hall of our hotel. Believe me, the memories of one of the most important days of your life will never be erased from your memory. Imagine how you say the words of consent to your chosen one, standing at the edge of a magnificent outdoor pool, against the backdrop of picturesque forests and views of the mysterious surface of a beautiful lake. The wedding ceremony, as we have said, can be held in the ballroom with a capacity to 600 people. A team of professionals will arrange the hall, taking into account all your wishes and whims, prepare an entertainment program, invite experienced showmen, arrange a transfer to the hotel in a magnificent limousine, organize a professional photo session. And all this will be at the highest professional level
