LUXURY TRAVEL AGENCY & DMC

Who we are

We are singular people looking to offer you authentic and awesome experiences, inviting you to be as one of us, being with locals and participating as much as possible and as much as you want in the Portuguese day to day life, through the places you visit.

We believe that you don't need to travel, sometimes very far away from home, just to do sightseeing. Nowadays you can see everything from your desk at home, and even from your mobile phone. But you will need to travel to feel and learn, to experience and involve deeply in a new culture, reaching new places and people.
This is the reason why we exist.

Our work is the result of a huge research that never will be finished. We travel the whole country, from North to South, including the Islands of Madeira and Azores, to get to know the places and the people personally, to create exclusive experiences and programs, according to your preferences and your wishes.

It allows us to give you the best travel advice for you to have the time of your life in each journey.
Luxury doesn't need to be black. Luxury is the deep blue ocean and the blue sky, the red of the wine, the immaculate white of a fresh cheese, the rainbow of a painted pottery and the green of the landscape.

Luxury is being able to feel alive through a touch that bristles your skin, through the smell of the wet land, through the fresh air in your face or through the tastes of a new culture.
Come with us to discover a new traveling experience.

Yours,

Singulartrips' Creative Manager

Services

Along with this presentation you will also have six travel books. These books have been made to inspire you, not to give you a final offer and to restrict the possibilities you have when you choose us.

We have to offer you Culinary Experiences, Private Food Tours & Cultural Experiences, Wine Tours, Hands-on Activities & Experiences, and some experiences we selected as being High-end or Self-drive, for those who prefer to do it by themselves.

All of the Tours and Experiences are exclusive, with the exception of the Group experiences mentioned in the Self-drive travel book. This means that there won't be anyone else joining you or your group on the same day and time, for the chosen program or experience.

In some occasions, such as wine tastings or visits to monuments, there may be other groups at the same time but we will let you know if that's the case for for each experience. Anyway, your guide will be always with you.

We have Portuguese, English, German, French and Spanish guides. We will confirm you which languages will be available at each time. It will depend on the Region and also on the experience.
As we work in a tailor-made concept, starting times, duration and dates should be confirmed and we will do our best to accommodate your requests.

We can provide you all the tourism services you may need, transports, accommodation, visa and insurance, along with other services, such as the organization of events and conferences, catering services, babysitters, house maids, among others. Please contact us if you need any help.

We are registered in the Portuguese Tourism with the licences RNAAT 2430/2018 and RNAVT 7665 and we are a member of the Lisbon Convention Bureau and the APAVT - National Travel Agencies Association.
