LUNCH AT DAR ZELLIJ

Of all the buildings that Marrakech Riads has restored in the past 20 years **Dar Zellij** stands as one of the most remarkable for it's interior design.
It has been transformed into a top-class gastronomic restaurant where you can experience all the charm and visual delight of Moroccan cuisine during your stay in Marrakech. In Morocco we often say that “you eat with your eyes.”
The décor is as pure and refined as the table setting and the dishes as delicious as the service is stylish.

OR LUNCH AT CAFE ARABE

The Cafe Arabe, in the medina of Marrakech, with its Italian and Moroccan cuisine, is for many years the reference for tourists, friends and people from all over the world. Make yourself comfortable in one of the lounges, in the court or on the terrace ... you will be right at home.

RESTAURANTS

SOLEIMAN PALACE RESTAURANT

This was once the place from the lords of **Marrakesh**: the Caïd Layadi. The Palais Soleiman restaurant offers an extraordinary architectural example of preservation: ceilings carved and painted wood, antique zellijs and majestic spaces. Everything here exudes elegance and sophistication. Food wise, Driss Segueni offers superb cuisine composed of original **Moroccan** recipes.

JAD MAHAL RESTAURANT

Colorful establishment of Hivernage, the Jad Mahal combines restaurant, bar and spectacular shows. The Chef offers an inventive and tasty international cuisine, with Thai influences, Moroccan and French. During dinner, as dazzling parade as glamorous, composed of acrobats, fire eaters and belly dancers, strolling from table to table .... Be enchanted by the magical universe of Jad Mahal!

LOTUS CLUB RESTAURANT

Located in the heart of the neighborhood l'hivernage, on a side street, the Lotus Club immediately attracted local customers and is never empty. Food is tasty and well displayed, service is flawless; the bar is quite inviting and the music is a trip full of surprises.The decor and lighting, say that the Lotus is very refined. The review from "Oh La La" said: is a spectacular show a true success.
