Jochen Schweizer Arena is located in Taufkirchen just outside Munich, directly on the motorway A8. The fascinating adventure venue with its state-of-the-art rooms and facilities and its creative cuisine from SCHWEIZER'S KITCHEN offers the perfect setting for unforgettable corporate events.

Neon light, wall-to-wall carpeting and assorted biscuits are a thing of the past. As a modern venue we provide a fresh momentum and active breaks giving you a chance to try out bodyflying, indoor surfing, outdoor activities and virtual reality events. From conferences to keynote presentations in the "event rotor", product presentations with flight shows and surf performances, or Christmas parties in the Alpine-style chalet – there seems no limit to what Jochen Schweizer Arena can offer. You will be thrilled!

Anyone can fly here, be it the boss or the entire team, or you can watch our pros fly. Every event format is customised by our experts and tailored to your individual preferences for up to 1,000 people. We are looking forward to your inquiry to also turn your event into a perfect success.

Business meets adventure

From corporate celebrations to team trainings and conferences with unique experiences – Jochen Schweizer Arena is not only a perfect location for hosting company events, but above all sparks great enthusiasm in a unique atmosphere. We organise a variety of events, also lasting several days, including small meetings with adventure activities for 8 people, conferences for up to 300 people or corporate celebrations with 1,000 guests. Each event is customised to your individual preferences and tailored to the specific type of event.

In keeping with the motto “arriving as a group, leaving as a team” there is a special team-building facility for companies in the outdoor area of Jochen Schweizer Arena. Completing the so-called Team Mission Parcours you will be mastering five exciting exercises on the ground, which will in many ways promote cooperation and communication skills, dexterity and strategic planning.

The highlight of each event is a chance for you to learn how to fly or to surf on an indoor wave. Our outdoor high ropes course helps strengthening the participants’ team spirit and motivation and thus makes for the perfect corporate event. To those who are particularly brave we recommend trying out the Flying Fox at night.
