Few countries can offer the visitor so much: natural attractions, adventure, sports, historic cities, culture, popular festivals, gastronomy and hospitable people. There's a world to be discovered just in this one country.

Apart from this, Brazil offers a broad choice of venues for special events, incentives, company team building, and all your corporate customers can wish for to spoil their sales team of the year, or best performing executive.

We also have about one commercial trade fair every day in cities like Sao Paulo, Rio de Janeiro and Belo Horizonte.

And isn't it about anyone's dream to set foot ashore this mythical country?

Our team is ready for you!

Brazil a **plural country.** This country is big in numbers: fifth largest country of the world in size and population, bordering 10 countries and covering half of South America, 9 thousand km of coast along the Atlantic ocean and home to the largest rainforest in the world; the Amazon forest and the Pantanal; the largest wetlands, Sao Paulo is also South America's biggest city with over 20 million inhabitants, that's twice the population of Belgium.
