About Us

GoXimbo is the first online Bhutan travel portal, poised to change the face of travel to Bhutan. It enables those interested in traveling to Bhutan to choose from among an exhaustive range of available hotels and tour agencies, and make an instant online bookings and payments hassle-free and incredibly easy.

E-Commerce has found its place in Bhutanese system of governance. There cannot be anything better than to book a hotel room, hire a car or local guide or Bhutan holiday packages at a relatively cheaper cost with the swipe of your credit/debit cards/MasterCard. With GoXimbo endless number of hotel, local guides, cars, holiday packages, restaurants in Bhutan are registered to suit the price preferred by domestic travelers, expats and international visitor to the Himalayan country Bhutan – where happiness is a place.

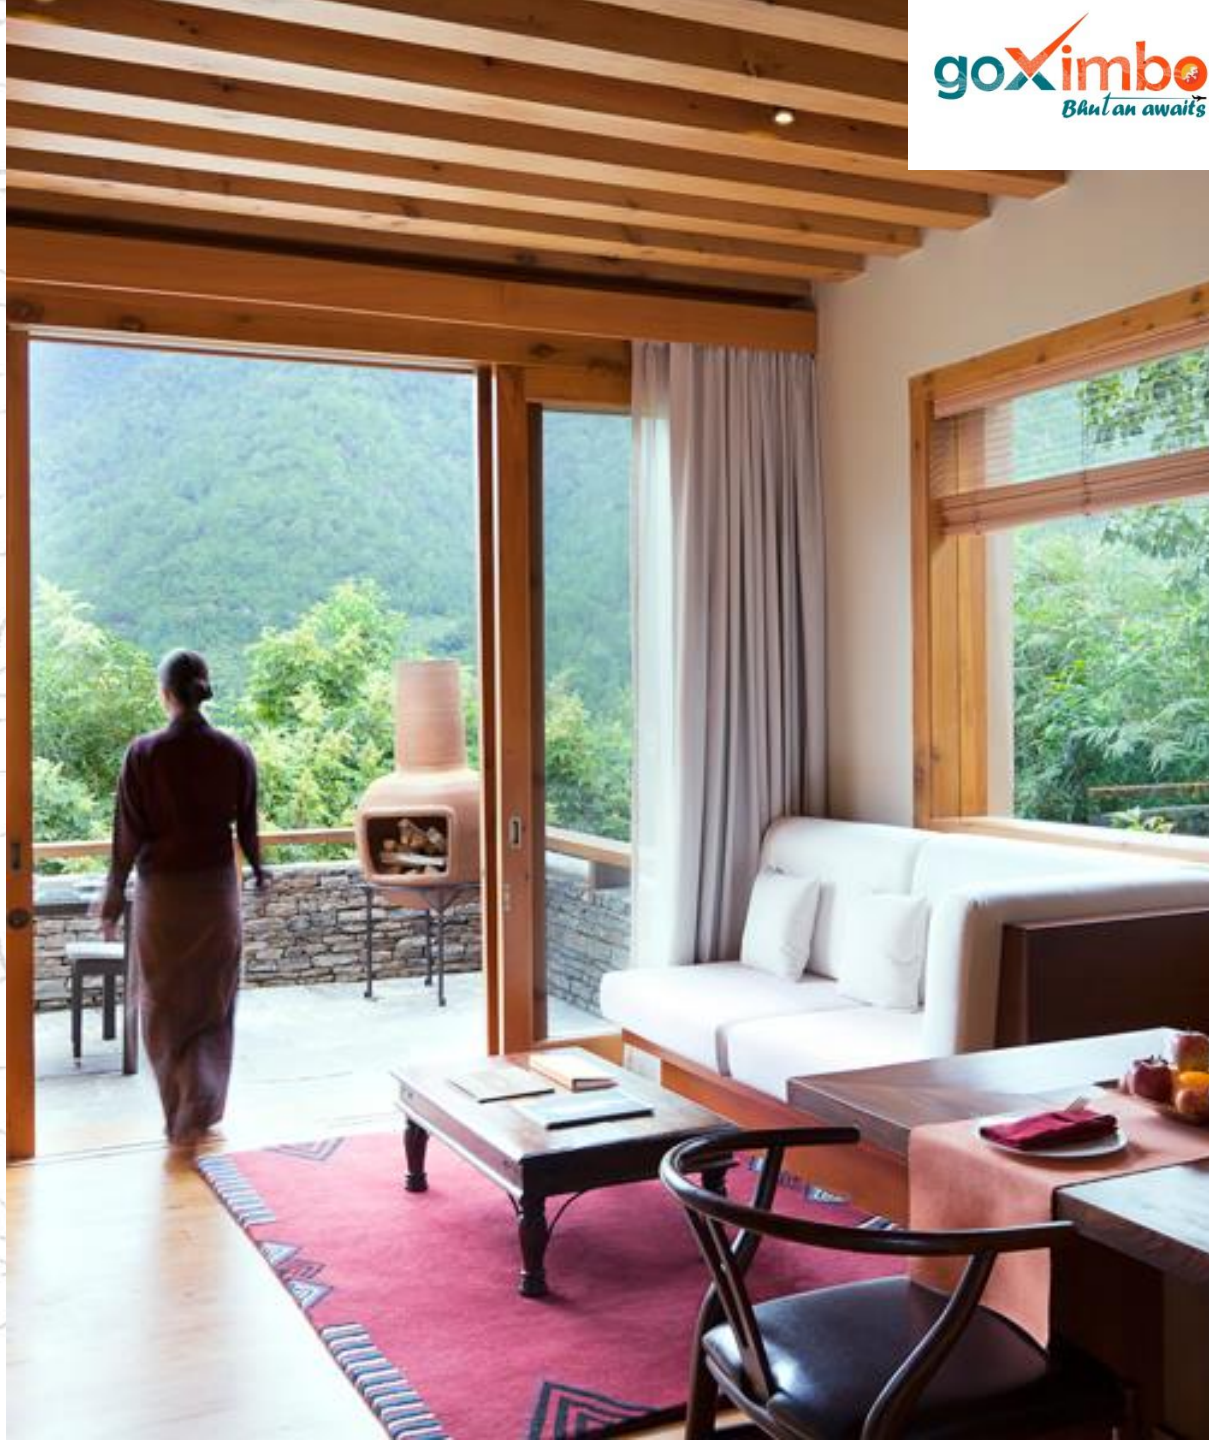

GoXimbo is partnered with the hotels in Bhutan, tour agencies, and other travel related businesses in Bhutan, to offer the widest possible range of choices to a future traveler to Bhutan. Our partnerships with the major banks in Bhutan also means that payments can now be made in an easy, safe and reliable way. It also offers holiday packages to International, Regional and domestic tourist. It seeks to tailor the needs of enthusiast travelers looking to explore Bhutan in a unique way. GoXimbo servers as an online travel portal which provides any travelers to Bhutan a unique journey and experience without much difficulty.

The website is designed to enable maximum feedback and service ratings by real users, to help the prospective traveler make the best choices.
GoXimbo has a well-formulated return policy for convenient cancelations, and money-back schemes.
Travel to Bhutan has never been easier- everything you need is now in one place- on GoXimbo.

Hotel Packages

E-Commerce has found its place in Bhutanese system of governance. There cannot be anything better than to book a hotel room at a relatively cheaper cost with the swipe of your credit/debit cards. With GoXimbo endless number of hotel are registered to suit the price preferred by domestic travelers, expats and international visitor to the Himalayan country Bhutan – where happiness is a place.

Goximbo Offer Best hotels and Packages to explore fantastic holiday destinations of your choice. We provides hotels that best fits your budget.

Holiday Packages

Unlike usual type of tourism system in place, GoXimbo provides wide range of travel itinerary offered by multiple travel companies registered with GoXimbo. Thus, it allows international and regional travelers to choose travel packages that best suit their interest and budgets while in Bhutan.

Secondly, there has been growing interest amongst international experts to experience exotic travel experiences while they are here in the country. Without having stress on their self prepared travel vacation, their interest with GoXimbo will enable them to experience high end experience designed by them but delivered by us at a very best price and fast.
