# Unique residential destination

## Description

The perfect destination for those who are looking for a relaxing experience, in a modern, familiar and welcoming atmosphere. The guests can enjoy all the benefits about Santa Romana's location with the Mediterranean sea views and in the fisherman village of Caldes d'Estrac. This village it's recognized for thermal baths dating from XIX century.

Santa Romana's property is a natural space, full of gardens and native trees. It includes three buildings of forty-four apartments, each apartment has a private terrace and own parking. The property includes a swimming pool, gym and a large event room with unbeatable views of the Mediterranean Sea.

Facilities where guests can enjoy the costal village lifestyle near Barcelona City, all within Santa Romana's privacy.

Santa Romana is the ideal choice if you are looking for the peaceful of a seaside village and the leisure and activity of Barcelona's capital.
