A MEETING, CULTURAL & AESTHETIC LANDMARK

Putrajaya International Convention Centre (PICC) rises majestically from the top of Putrajaya's highest point, and amidst a prestigious enclave of residential neighborhoods and waterfront developments. It is both an iconic landmark that overlooks Malaysia's seat of government, and one that incorporate a modern, spacious and incredibly versatile design. Yet it also embodies a further, cultural dimension. Its most imposing architectural feature is the roof, designed to resemble a "Pending Perak", the ornate handcrafted silver regalia worn on the ceremonial occasions by the Sultans of Malaysia, and representing power and authority. The main halls are set in the "eye" of the "Pending".

PICC:
A PERFECT VENUE FOR 3Cs (CONGRESS, CONVENTION & CONFERENCE)

PICC comprises 57 distinctive venues with an impressive, 135,000 square meters of usable spaces:

HALL LAYOUTS & SEATING ARRANGMENT

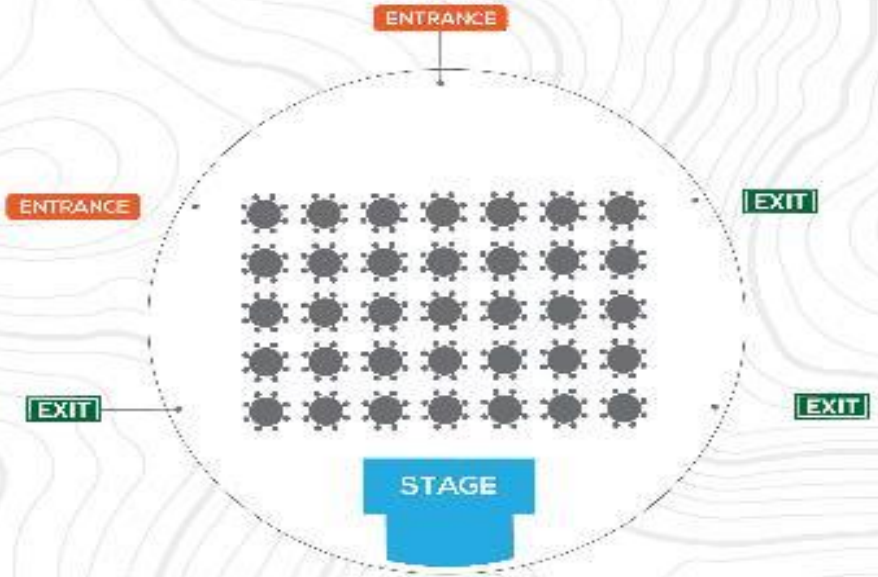

PERDANA HALL

With its built-in adaptability and flexible configuration, the column-free Perdana Hall is the perfect choice for large banquets, themed events, weddings, major ceremonies, presentations and artistic performances. Stunning interior design based on the 'songket' pattern-the traditional, intricately embroidered Malay textile fabric-exudes a dramatic dimension.

The hall features include a 9-meter-high ceiling, multiple stage location options, changeable noise projection, stage screens and lighting, and advanced data correspondence ICT system.

PUTRA HALL A&B

The two main halls, each comprising approximately 2333 sqm of usable space, can be combined or utilized separately via automated partitioned walls, affording both versatility and flexibility - from intimate banquet, to seminar, to exhibition venue.

The halls allow or a configuration of 1400 sqm exhibition booths in a circular mode with eight interpreter rooms.

VIEWING DECK 1

In addition to an unrivalled selection of great indoor venues, PICC also offers two more outstanding outdoor choices, both with dramatic vistas and commanding views. The Viewing Deck on Level 1 affords a fantastic sheltered platform overlooking the lake and with breathtaking views of the Federal Capitol building, bridges and boulevards.

Or you could opt for a Garden Party on the grounds, highlighted by a sumptuous sit-down barbeque prepared by our professional catering staff.

PLENARY HALL

The Plenary Hall is PICC's largest single venue, the imposing gallery-like auditorium ideal for major corporate functions, governmental or NGO-level exchanges, trade or educational symposia-in short, any event requiring the highest level of functionality and participation.

The interior design is inspired by Malaysian traditional "Mengkuang" basket motif, which also enhances illumination from natural speech intelligibility and for sound amplification, includes two royal boxes, two public viewing galleries, eight interpreter rooms operating 32 channels, and two large screens.
