PLENARY **HALL**

The Plenary Hall is PICC's largest single venue, the imposing gallery-like auditorium ideal for major corporate functions, governmental or NGO-level exchanges, trade or educational symposia-in short, any event requiring the highest level of functionality and participation.

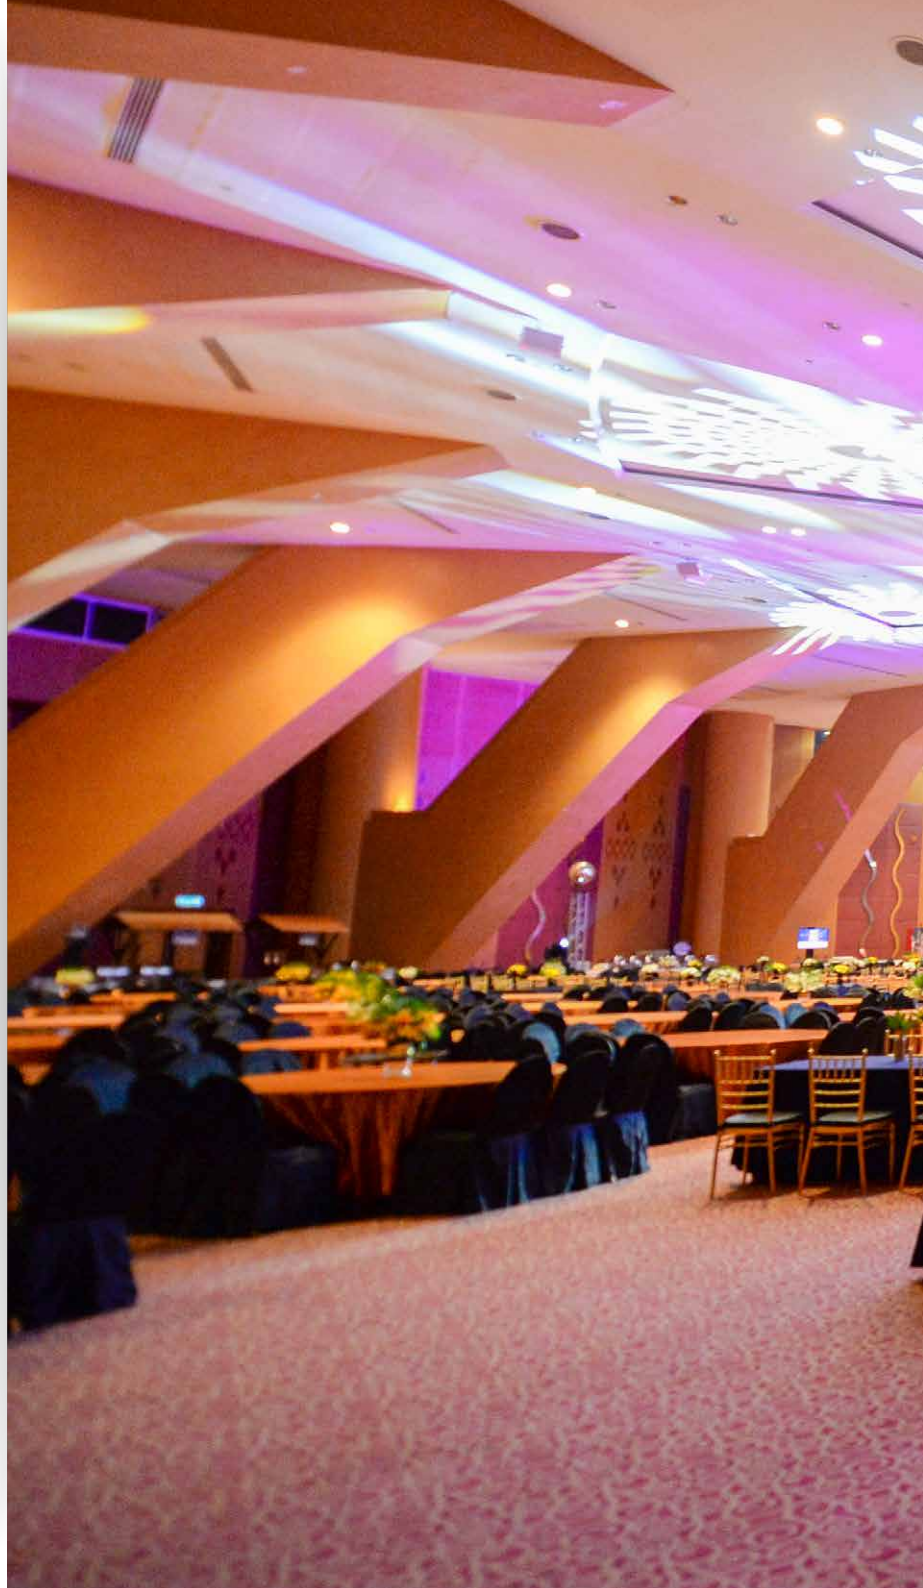

The interior design is inspired by Malaysian traditional "Mengkuang" basket motif, which also enhances illumination from natural speech intelligibility and for sound amplification, includes two royal boxes, two public viewing galleries, eight interpreter rooms operating 32 channels, and two large screens.

PERDANA
HALL

With its built-in adaptability and flexible configuration, the column-free Perdana Hall is the perfect choice for large banquets, themed events, weddings, major ceremonies, presentations, and artistic performances. Stunning interior design based on the "songket" pattern-the traditional, intricately embroidered Malay textile fabric-adds a dramatic dimension.

The hall features include a 9-meter-high ceiling, multiple stage location options, changeable back projection, stage screens and lighting, and advanced data correspondence ICT system.

PUTRAJAYA

PUTRA
HALL A & B

The two main halls, each comprising approximately 2333 sqm of usable space, can be combined or utilized separately via automated partitioned walls, affording both versatility and flexibility – from intimate banquet, to seminar, to exhibition venue. The halls allow or a configuration of 1400 sqm exhibition booths in a circular mode with eight interpreter rooms.

HEAD OF
STATES HALL

Sumptuous and magisterial, facing directly to Prime Minister Office, the Head of States Hall affords to accommodate 500-pax at a time for intimate/private and exclusive events like wedding, product launching, social gathering etc.

KELUAR

CONFERENCE
HALLS 1-10

Ideally suited to host any small to medium sized conference. The venue features an adjustable arch with minimal obstruction and optimal ceiling heights to facilitate swift scene changes. Up to 5 halls may be combined for a total seating capacity of 1500 pax and a total area of 1650 sqm that can accommodate up to 64 booths with a comfortable circulation of 9 sqm to spare, plus interpreter rooms in every hall.

MEETING ROOMS

Excellent hosting area for small to medium sized corporate functions that can accommodate from 10 - 100 pax. PICC offers two types of venues - 10 Meeting Rooms and 14 Suites, all with full audio visual systems.

PUTRAJAYA

OUTDOOR VENUES

In addition to an unrivalled selection of great indoor venues, PICC also offers two more outstanding outdoor choices, both with dramatic vistas and commanding views. The Viewing Deck on Level 1 affords a fantastic sheltered platform overlooking the lake and with breathtaking views of the Federal Capitol building, bridges and boulevards.

Or you could opt for a Garden Party on the grounds, highlighted by a sumptuous sit-down barbeque prepared by our professional catering staff.
