Our Mission

Local

We build a bridge between our clients and local communities.

Unique

We go off the beaten track to have our clients surrounded by nature and taste homemade meals that come from the heart.

Personal

People are the center of the journey with our Happy Customer Service.

Positive Travel

We work hard to improve even further in responsible travel, which not only concerns us but also Indochina's generations yet to come. We encourage positive impacts and reduce negative ones through:

- Responsible product development
- Protection of the environment
- Giving benefit to the local communities
- Briefing and informing our guest

Our sustainable actions came to fruition and made us the first local company to be certified by Travelife (travelife.eu).

Choosing Footprint therefore not only means to travel in comfort and worry-free, but also to travel responsibly.

Hassle-free Packages

We design all-inclusive packages to meet your targeted clientele. To do so, we combine the major highlights of Vietnam & Indochina with destinations that are off the beaten path and some great leisure time at the end.

Trekking Packages

Trekking tours belong to our core competencies, where our products range from very short and easy hikes to long day challenging treks for multiple days. Each involves hikes going from villages to villages and allow our clients to experience the breath-taking scenery and the culturally rich mountain tribes.

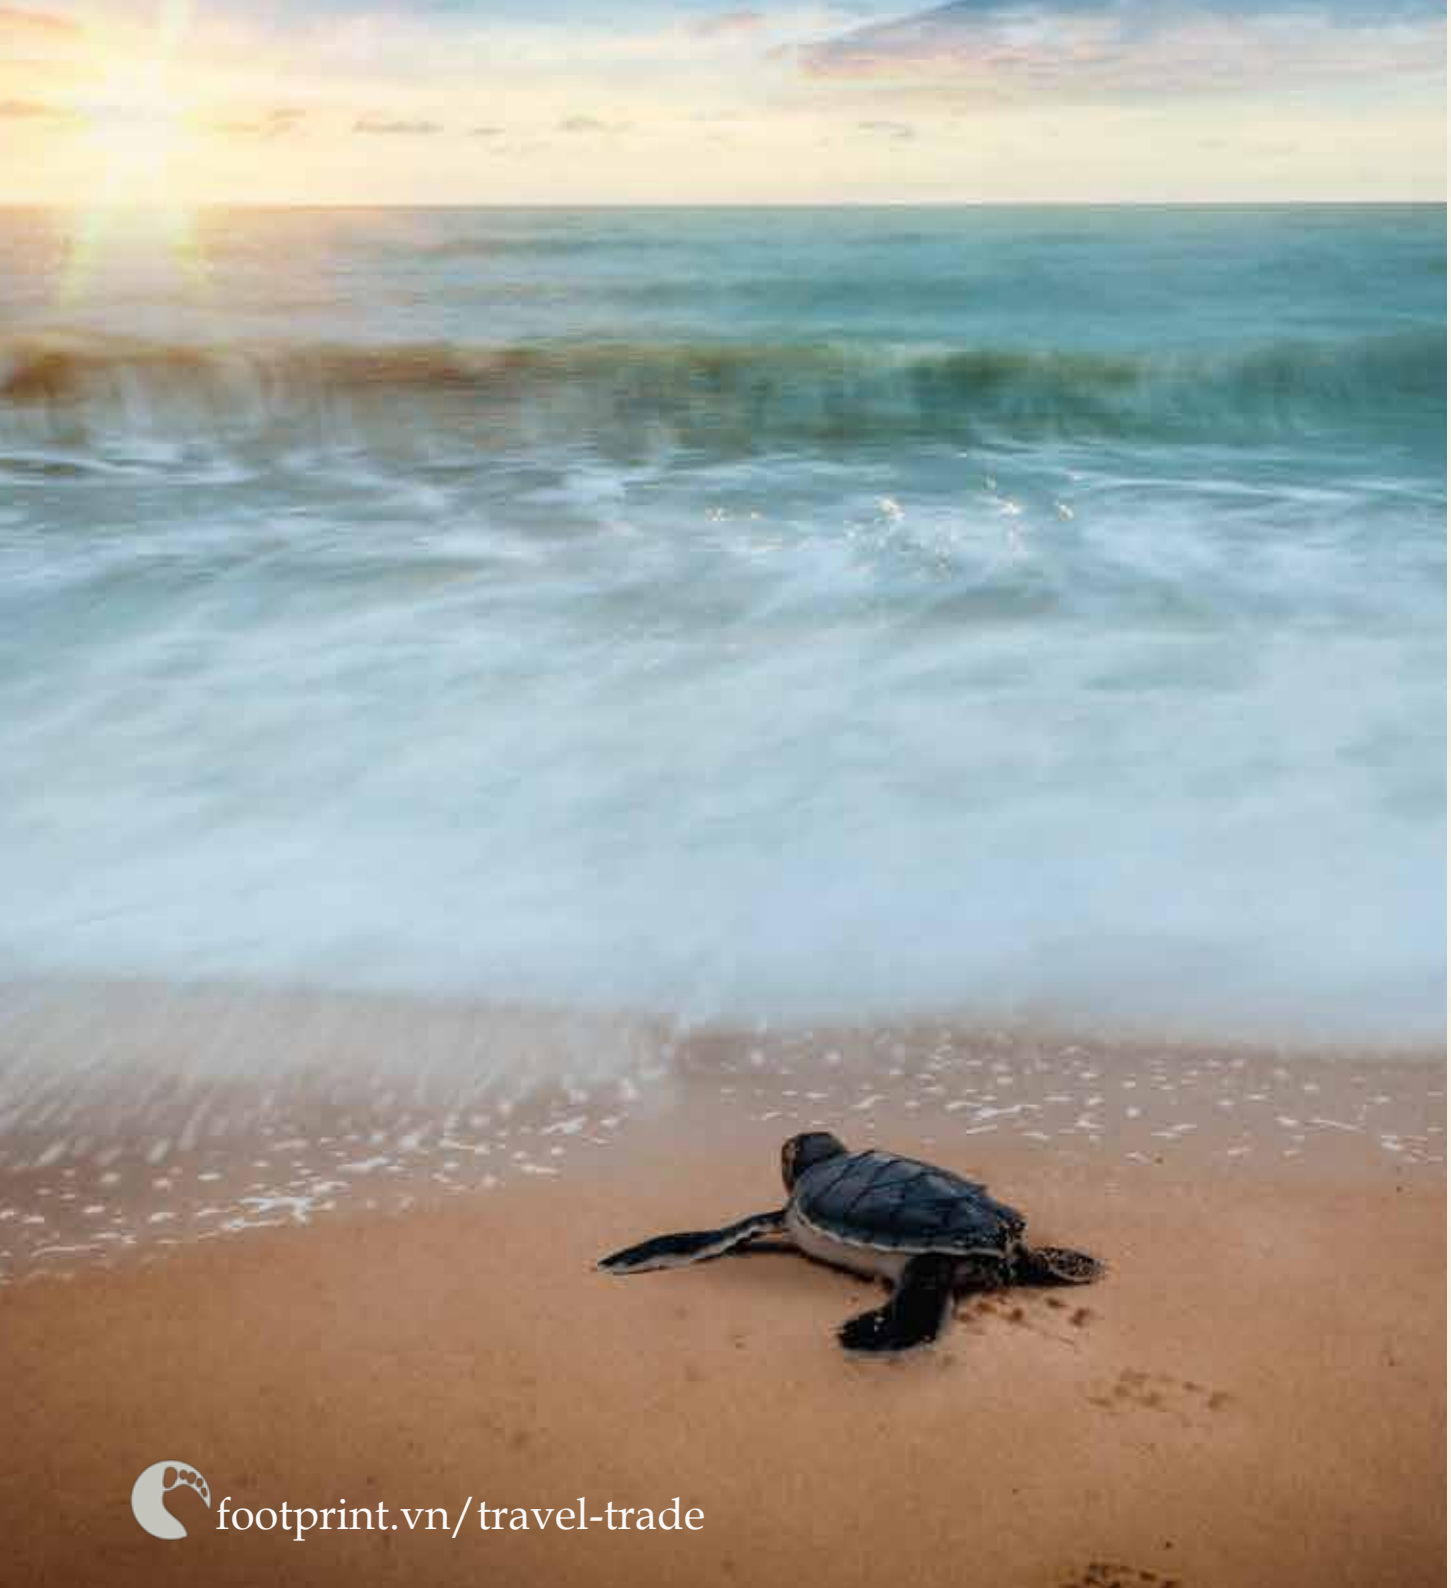

Cycling Packages

Cycling is a great way to discover the local countryside. What could be more exciting than cycling through the karst limestone formations, visiting hill tribes and admiring stunning waterfalls? We offer a great numbers of cycling packages ranging from 1 day to 20+ days, the ladder forming a perfect holiday for professional cyclers. The tours can be on well-paved road or on remote mountain trails.

Cultural Packages

Our cultural tours aim to give our clients an understanding of Vietnamese culture, as well as the cultures of our neighbouring countries, Cambodia and Laos. This can be packed in a short trip that is added to the hassle-free package, or in form of a unique extension based on the clients' wishes.

Nature & Wildlife Packages

These trips bring you to the delicate ecosystems of Vietnam's spectacular national parks, most of which belong to UNESCO's national sites and are nationally protected tropical rainforests. Accompanied by our guides specialised in the local environment, our clients get the chance to discover distinct habitats and practice in mindfulness that helps protecting and sustaining our environment.

Community Based Tours

Community based tours is our signature in responsible travelling. Here the locals give our clients valuable insights to their culture. All financial benefits of the trip stay with the local community.

Cruising Packages

Indochina's beauty charms with beautiful bays, magnificent lakes and tranquil rivers, that all offers great opportunities for both short and long cruises. Popular picks may include a slow cruise through the famous Halong Bay that is blessed with countless islands, providing precious moments of basking in the sun, feasting on fresh seafood or kayaking in stunning surroundings.

Education & Volunteer Packages

Footprint is proud to be one of Vietnam's leading companies for educational and volunteer tours. Our extensive local network allows us to plan beneficial local projects that are then visited by our foreign clients, such as schools, organisations or companies.

Our Inspiring Destinations

Viet Nam

From the burgeoning street-food culture to the exquisite hill tribe handicrafts, Vietnam's visitors are invited to explore interesting customs and detailed craftsmanship. From Hanoi to HCM City Vietnam's culture and geography charm with an astounding diversity.

Cambodia

Cambodia is a country of history both of hardship and of joy. It is a country where orange robes are in contrast to colossal stone faces; a country where smiling people bind you in an instant.

Laos

Ranked as the most laid-back destination in Southeast Asia, Laos possesses many untouched spots which spark the interest of adventurers. In Laos, everything seems to be connected: the people, the nature, the religion, the history, as well as the subcultures.
