Footprint®
Local. Unique. Personal.

KEY FACTS

About Us

Since 2001, Footprint Travel has been offering customised holidays and comprehensive travel packages in Vietnam and Indochina. We focus on delivering "Local, Unique, Personal" travel experiences while dedicating our work to responsible travel.

LOCAL UNIQUE PERSONAL

Our Products

Footprint has designed a wide range of quality travel experiences. Our comprehensive tours are creatively crafted, featuring the region's landmarks and highlights, off the beaten track adventures with cycling and trekking options, community-based tourism, educational and volunteering holidays.

Footprint's diverse itineraries are easily adjusted to meet our clients' wishes and ensure carefree journeys in **Vietnam, Laos and Cambodia.**

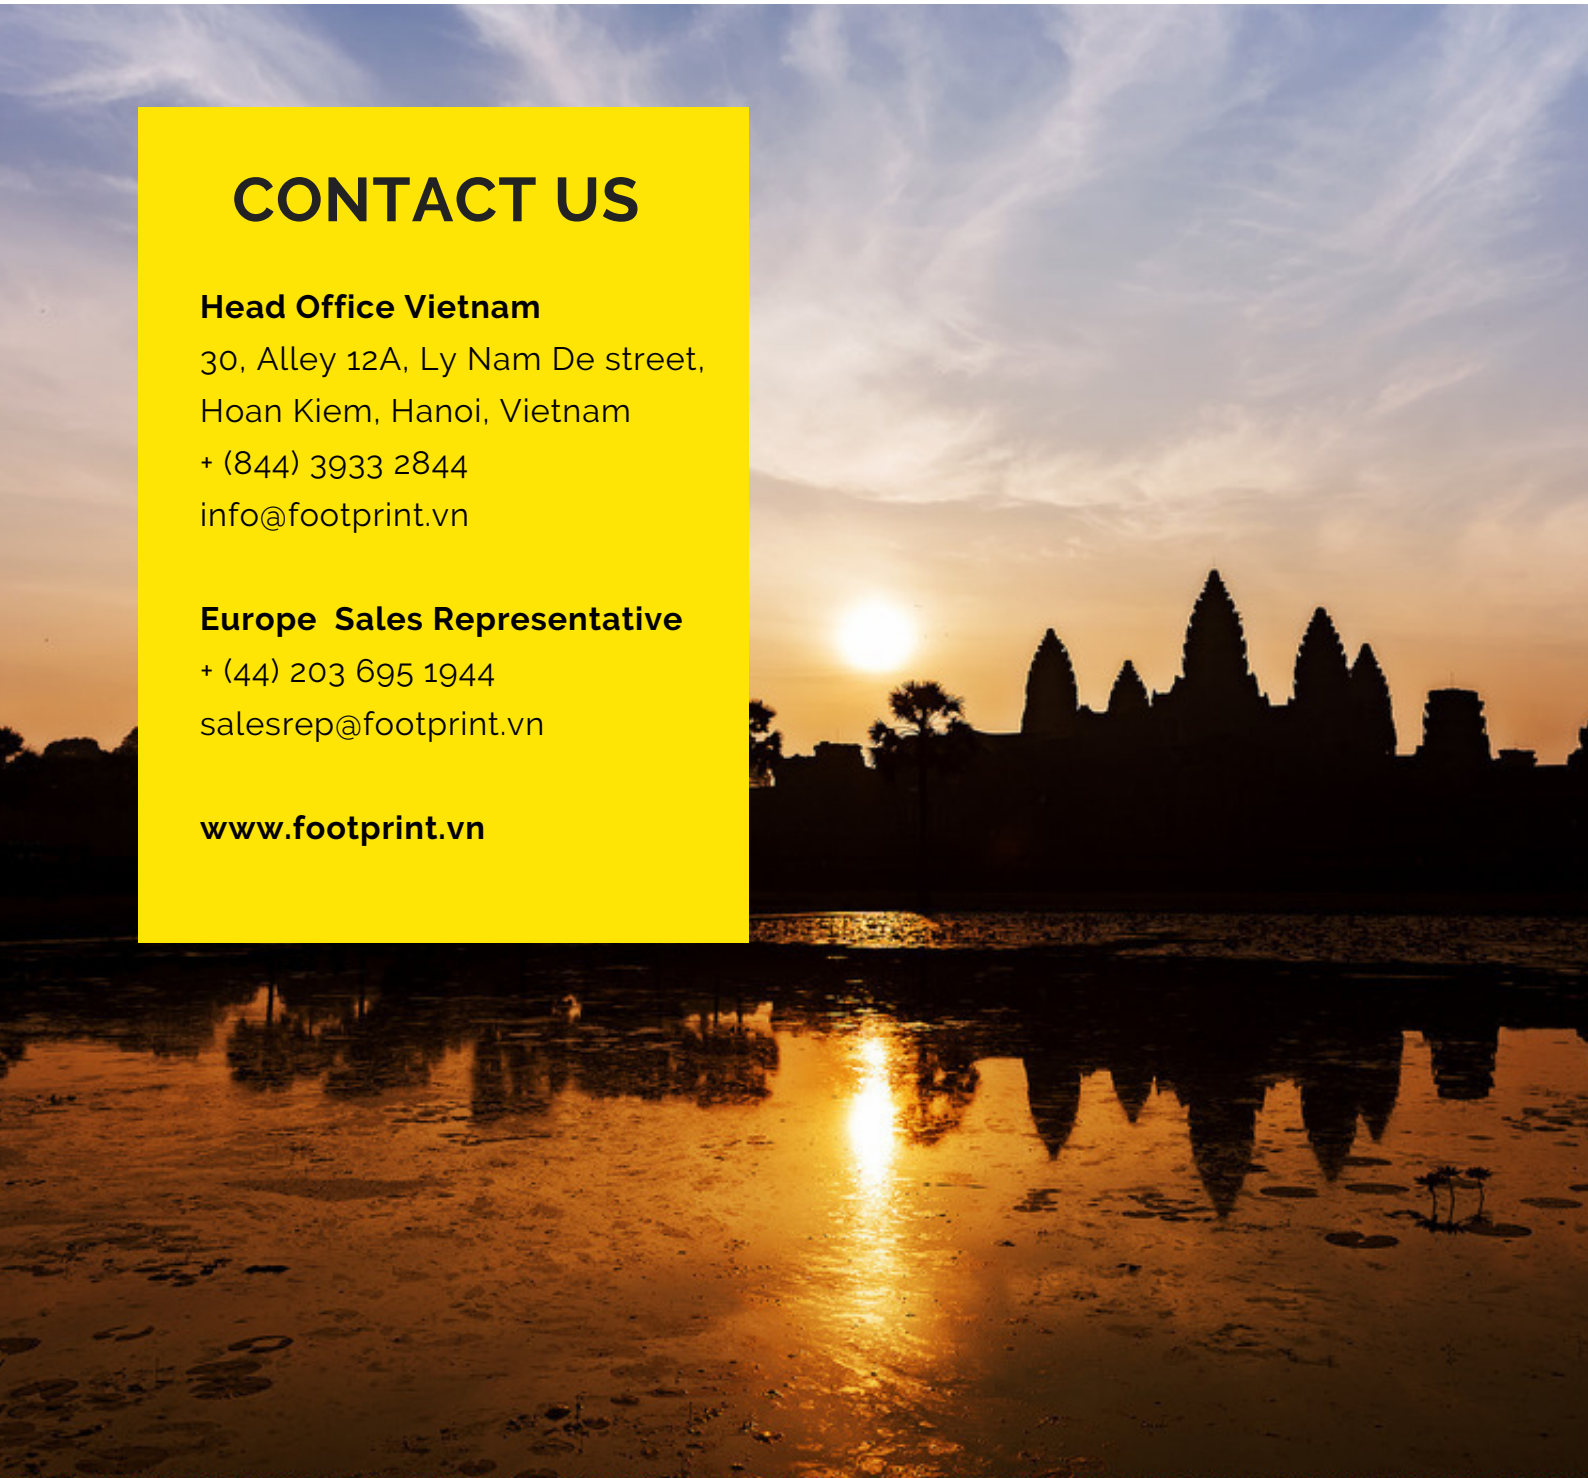

Responsible Travel

Footprint is actively committed to responsible travel. We integrate sustainable practices in our policies and daily operations, in our collaboration with overseas partners, local operators and hosts, and in our itineraries, promoting low-ecological impact travel behaviours and nurturing genuine encounters with local communities.

In 2016, Footprint became the first locally-owned tour operator in Vietnam to be certified by Travelife - a reward for our commitment to implementing responsible travel.

Why Partner With Footprint?

- Our diverse itineraries are simultaneously comprehensive, unique, off the beaten path and customisable
- Our prices are competitive
- Our in-depth knowledge and expertise of Vietnam and Indochina, and our special relationships within the destinations we offer, to ensure our clients have an authentic and personal experience, even in the lesser-known destinations and go home feeling truly inspired
- Our corporate ethics and business model fully integrate policies and practices aiming at making a positive impact on communities, guests, industry partners, employees while striving to protect and preserve our natural environment.
