Profile

In 2018 Liezel Short founded LS Event Consulting following her dream to have a small, bespoke yet passionate and experienced consultancy characterised by dedication to meeting the client's desires.

LS Event Consulting was born out of a desire to create a truly client-focussed consultancy with a strong creative twist. Working her way up the ladder since 2006 as Event Coordinator and Account Manager for a very prominent South African events company she was recognised in 2016 as one of the Top 40 Women in the Meetings, Incentives, Conference & Events Industry of South Africa.

Liezel strives to go that extra mile to deliver excellence and perfection in every event that is produced. To achieve this LSEC provides several services to help plan everything from start to finish and take the stress away from the client.

Our expertise, knowledge, and many years of experience in the events industry, coupled with our talent for visualising and planning, will shine through in the personal and professional way we work with you. Organising events is our life and we love what we do.
