Celebrating Traditions

The bridal couple can let their imaginations run free as they create their own exclusive themed celebration.

At the InterContinental Abu Dhabi we draw on the rich heritage of the region in offering a number of enchanting wedding venues, while we can also create a unique occasion tailored to your own vision of the day.

Where better to begin than with the exciting ritual of the ‘Henna Night’ for the bride before the wedding? A henna artist gives the bride’s hands and feet Henna decoration, while her friends and relatives enjoy food, music and dancing.

Your Honeymoon begins here...

InterContinental Abu Dhabi suites are tastefully decorated and elegantly-appointed, creating a welcoming ambience that is made for love and a life time of memories.

BRIDAL SUITE

InterContinental Abu Dhabi is a unique luxury urban resort. An icon of heritage and culture, opened by His Highness the late Sheikh Zayed Bin Sultan Al Nahyan, the founding father of the United Arab Emirates, to house the first Gulf Cooperation Council Conference for the Gulf States. Since then, the hotel is home to presidents, members of royal families, celebrities and captains of industry.

The hotel offers an unparalleled stay, experience of history, Arabian hospitality, award winning dining options and comprehensive leisure facilities in an oasis of calm right in the heart of Abu Dhabi.

The Bridal suite offers lavish luxury and spacious opulence, with views over the park or Arabian Gulf.
