About Global Passenger Network - GPN

Vision

A Network representing the motorcoach industry globally and promoting it as a viable and ecological alternative to private car use through its high standards.

Mission

Providing Transportation Services in every country we are represented through our carefully selected Members that share the same core values.

Global Passenger Network (GPN) is the **ONLY** Global Network of **Transportation Management Companies (TMC)** from around the world.

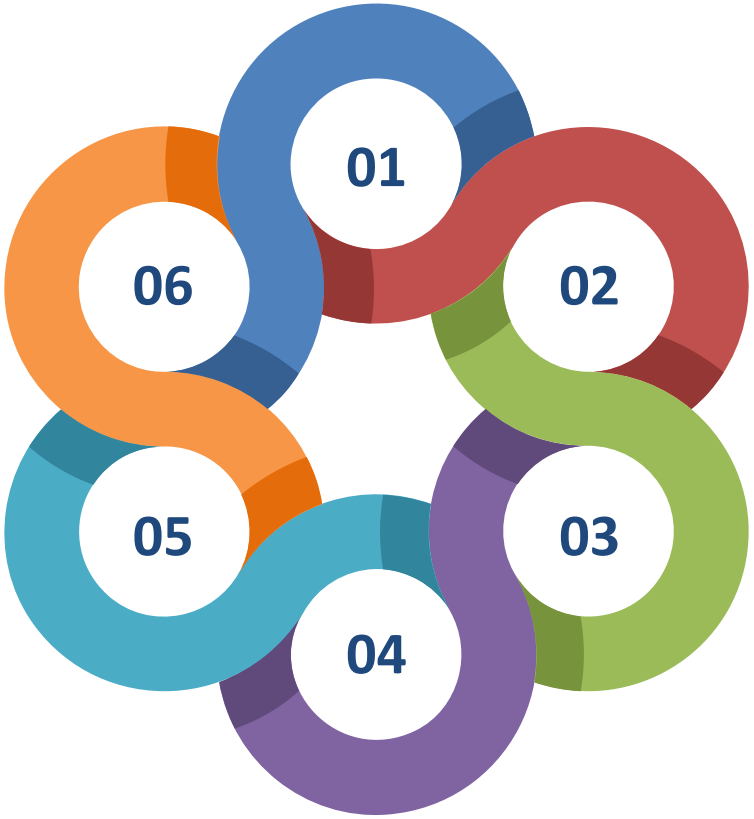

Our network is comprised of leading Transportation Management Companies in each country that represent GPN in their respective country.

GPN Core Values

QUALITY
We focus on providing high-quality transportation services and exceed clients' expectations.

SAFETY
Safety is our top priority and we ensure it through technology with which vehicles are equipped, driver's training & regular technical maintenance.

RELIABILITY
Replying promptly in a professional manner and ensuring transportation services requested are provided is what we do.

WORKING AS A TEAM
Although we our Members are all independent companies, we have built a network culture that enables us to act as one.

FRIENDLY TO ENVIRONMENT
Our vehicles are environmental - friendly and fully meet the regulations in order to meet standards.

PERSONALIZED SERVICE
Adjusting to changes, handling last minute alterations and the extensive know-how of the destination and business enables us to overcome any challenge that may arise providing customized, personalized services.

GPN History

Testimonials

Here is what people have to say about GPN:

Debbi Garrett, Event Bookers UK	*"We have been using GPN for our Executive coach hire requirements for a number of years now. Raquel is so prompt in dealing with our enquiries and generally always responds within the hour to say she has received the request and is dealing with it which is so helpful. Over the course of the following 24 hours we receive our very detailed proposals from the various coach companies. The suppliers are always reliable, reputable and the costs have always been very competitive allowing us to pass on these cost savings to our valued clients. We can't thank GPN enough, long may our fantastic supplier relationship continue!"*
Matilde Garrido, Symphony Tours	*"Thank you very much to GPN, very helpful and useful when you need bus companies contacts in any city around the world, the contacts provided by them are usually a guarantee."*
Jacinto Gilroy, Gilanneric Tours & Travel	*"GPN.Travel is a reliable and efficient service provider for providing transport services globally."*
