OUR VISION

Leisure & Safari Trails Tours' vision is to be the most and top leading travel & tours agency nationwide and all over the world, we will earn our costumer's enthusiasm through continued expansion, improvement, teamwork and innovation"

Zanzibar excursions / tours: stone town, prison island, spice farm, dolphin tour

Starting from stone town tour and after you sail in a traditional Dhow to prison island. At the prison island you will see the Aldabra giant tortoise, birds and swim/snorkel, before heading to spice farm, and next day to swim with Dolphin.

OUR TEAM

Planning the best holidays and safaris experiences from start to finish is what our team is specially trained to do. We'll help you find your tour, show you how to customize it with excursions that fit your travel style and even share tips for packing and preparing to go. Once you're on tour, you can get in touch at any time, thanks to our team of 24/7 Emergency Support Specialists. Quality is of the utmost importance, so we have a dedicated team that reads every single review that we receive and makes updates as needed. We want to give you more of what you've loved from us in the past and create ways for you to explore new areas.

It takes a dedicated team to bring each tour to life. There's an intricate network of people working to create a beautiful experience for you and your travelers—before, during, and after your tour.
