THE SAR-EL DIFFERENCE

In business for over 25 years, and one of the leading agencies in Israel, our longstanding relationships with our partners are a testament to our integrity and expertise. We specialize in Christian travel to Israel.

SPECIALISTS IN CHRISTIAN TRAVEL

95% of all our clients are Christian and we cater to conferences, Bible study tours, Church tours, student groups and much more! Our guides work 'Bible in hand' basing teaching on more than just archaeological facts, combining history with biblical teaching and application. Was Caesarea just a Herodian port city or was it also where the Apostle Paul was sent to the nations and where Peter met Cornelius starting a new wave of evangelism to the Gentiles? It makes all the difference!

TOUR GUIDES

We have hundreds of tour guides licensed in many different languages. We vet and prioritize them to ensure that you receive the very best guides in all of Israel!

SAR-EL BUSES

With our modern, luxury buses you are never far from WIFI, USB chargers and yes, air conditioning! Look out for the different buses we have as you travel the country: Jerusalem, Acco, the Dead Sea- each one has a different picture! Tag your pictures of our buses with #sarelbuses to share which one you traveled on.

SAR-EL MEDIA & PRODUCTIONS

Having our own media and productions company, sarelmedia.com, means that if you are a Pastor coming on tour and wanting to record teaching for example, we can help. If you need a connection to a Christian T.V. station like TBN or others, we are able to help make that happen for your event in Israel. Having worked with T.V. companies over the years we intimately understand the needs that accompany such aspects of touring Israel and holding large-scale events here.

CUSTOMIZATION & MEMORABLE EVENTS

From special worship events with local Israeli worship leaders to full-blown, internationally-attended conferences we are here to create that special, memorable event that will be talked about for years to come. Make the most of our services and enjoy incredible experiences here, just let us know what we can do for you.

LECTURES & TALKS

We can offer you a wealth of meetings, lectures and talks to enrich your time here including: Geo-political themes, roots of our faith and biblical truths related to the land and the people of Israel, meetings with local Messianic and Christian Arab leaders, and politicians.
