

TRANSPORTATION SERVICES

GEOWORLD is a provider of professional luxury transportation services. We transport our clients in comfort and style, on a level that exceeds all of their traveling expectations.

Every client we transport, whether for business, airport, tours, special events or just an evening out, receives our concentrated individual attention to details, you can simply relax and enjoy the ride.

We offer only the newest model cars, including luxury sedans, vans, SUVs, and even helicopters; we keep them impeccably clean and well maintained. We believe that not only the core values but little details too can make all the difference and bring the service to an extraordinary level.

- Professional driver discretion, safety, and excellent service are our priorities.
- Our Chauffeurs are informed and friendly.
- We are proud to be recruiters of the best chauffeurs in the country
