Sahil Sharma, India

Exceptional travel services

We worked with EEM for our group bookings of 15 people and they managed it to the despite last minute changes. A special mention of Aabiskar Thapa, he was always available and patiently helped us through the process. Highly recommend EEM and Abi for travel arrangements.

Partick , Ireland

Wonderful scenery, good food and accommodation

I did this trip with Ramesh, he was very knowledgeable, friendly and helpful. I have done many treks in Nepal, this one has well above average accommodation with clean well provisioned WCs and Showers. The views at Mohare Danda are wonderful , but I also loved trekking through the orange groves on day one and the whispy clouds as we climbed through a barren land on the way to Mohare. Highly Recommended
