Dear Mr. Hirani,

On behalf of our company I would like to convey my appreciation to your team for a job you have done, it was really well done.

Our stand at **Agra ME 2013** was delivered as promised 24 hours before the show opening and all delivered on budget, with high quality, we also asked for something was not your duty like (the electricity bill which was very critical situation at that time) which you have done on time with a smile.

In particular I would highlight the Endeavour shown by Abhishek in leading this team all dedicated to produce a project to be proud of.

We at Gulf Feed Mill Co. / Al-Ghurair Food consider Concept Zone as our regular supply partner continuing to support our futures Exhibitions and Events.

I have no hesitation in recommending your company to other exhibitors in the market who might also enjoy a stress free Exhibiting experience.

Once again my thanks to all concerned.

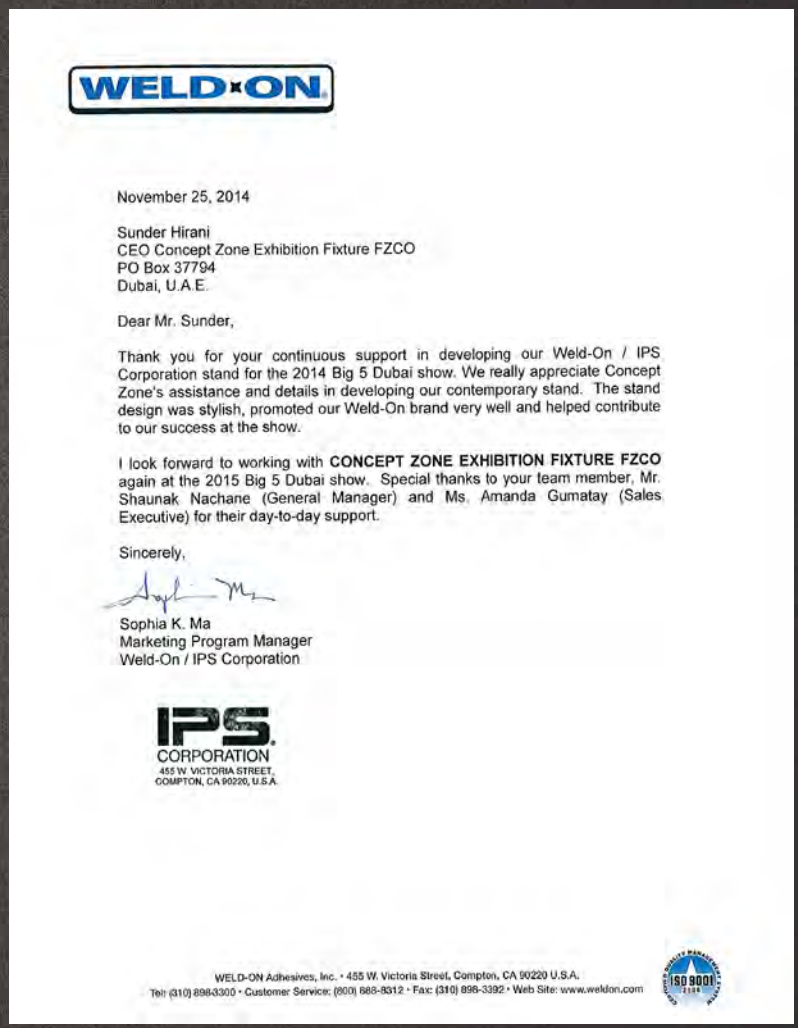

Yours sincerely,

Dr. Kahtan Al Awadi
