Arusha

This is where all of your planning becomes a reality: your safari starts now. Tanzania is such a wonderful country when it comes to wildlife and beautiful landscapes. After we greet you and answer any questions you might have, we'll take great pleasure in taking you out and showing you what we mean.

Spend some time in Arusha, both the gateway city for most safaris in northern Tanzania and a fascinating place to explore. Enjoy good restaurants, streets filled with energy and so many snapshots of vibrant Tanzanian city life. It's everything you look for in an urban pit stop.

Day 5 to 7 Tanzania ▸ Kenya

Masai Mara National Reserve

Kenya has some incredible wildlife destinations, but the Masai Mara National Reserve may well be the best of them all. This classic East African landscape of savannah grasslands, rolling hills, acacia woodlands and distant escarpments is itself impressive. But it's also the backdrop to one of the densest concentrations of wildlife on the planet. The Mara is known for its big cats, and this is certainly one of the best places to see lion, leopard and cheetah. You're almost guaranteed to see elephant, giraffe, buffalo, Thomson's gazelle, hippo, wildebeest and zebra, while black rhinos are possible in the Mara Triangle. And that's just the start. The Masai Mara is home to over 500 bird species too.
