ITINERARY

Day 1: Arrival at Kilimanjaro Airport to Arusha

After you arrive at Kilimanjaro International Airport (JRO) and complete immigration formalities, a representative from Parks Adventure Ltd will meet you and arrange your transfer to Arusha. If you arrive early enough, you'll have some time to unwind and prepare for your upcoming Unforgettable Tanzania Luxury Safari. You'll stay in a standard room at the Arusha Serena Hotel, where you'll enjoy dinner and spend the night at **Arusha Serena Hotel**

Day 2: Arusha to Tarangire National Park

After breakfast, you will be picked up from your hotel and driven to Tarangire National Park for a game drive. You will have a picnic lunch while exploring the park. Tarangire National Park covers an area of 2,600 square kilometers and boasts a stunning landscape of open plains scattered with thousands of baobab trees. The park is located approximately 120 kilometers south of Arusha and is known for its lions and large herds of buffalo. It is a hidden gem in Africa that should not be missed by those who love wilderness and solitude. Other animals that can be found in the park include zebras, wildebeest, elephants, Maasai giraffes, and fringe-eared oryx (gemsbok). Predators such as lions, cheetahs, and leopards are also present. Bird watchers

will want to look out for the endemic ashy starling, rufous-tailed weaver, and black-collared lovebird. You will have dinner and spend the night at Maramboi Tented Lodge.

Day 3: Tarangire to Lake Manyara National Park

After having breakfast, you will collect your picnic lunch and drive to Lake Manyara National Park to enjoy a full-day game drive. This park is one of the most diverse national parks in Tanzania, which consists of a small (325km2) combination of a Rift Valley Lake, dense woodlands, and steep mountainside. Manyara is a birding paradise with over 380 species, especially for waterfowl and migrants. The forests in the park are one of the best places around to see leopards. Lions hunt on the grassy shores of the lake, making it a beautiful sight for visitors. Most visitors plan their visit to Manyara to fit in with a trip to one of the Big Three parks such as Serengeti, Tarangire, and Ngorongoro. After the game drive, you can have dinner and spend the night at Lake Manyara Serena Safari Lodge.

Day 4: Manyara to Ngorongoro Crater Tour

After having breakfast, you'll collect your packed lunch and head to the Ngorongoro Conservation Area. The tour will take you down 2000 feet (over 600 meters) to the floor of the crater, which is more precisely a caldera. This enclosed ecosphere with an area of 304 square kilometers was formed some two or three million years ago in the massive explosion of a volcano that was once higher than Kilimanjaro. It offers the best wildlife- viewing opportunities in all of Tanzania. You will have the chance to explore the forest areas inhabited by monkeys and elephants, the lake area where you may see flamingos, and the open savannah where the lions hunt for food. With approximately 25,000 large mammals within the caldera, you will have the opportunity to see animals such as wildebeest, gazelles, reedbucks, bushbucks, hartebeests, hippos, antelopes, both Grant's and Thompson's gazelles, in addition to the Big Five (elephant, lion, rhino,

buffalo, and leopard), as well as over 500 bird species. Overnight at **Ngorongoro Serena Safari Lodge**

Day 5-6: Ngorongoro to Serengeti National Park

After breakfast, we will drive to Serengeti National Park for an exciting day ahead. You will have lunch at the lodge. After that, you will embark on an afternoon game drive in Serengeti National Park to witness the great herds of wildebeest, zebras, and gazelles or spot a pride of lions lounging in the shade. The Serengeti is one of Africa's largest parks, covering an area of

15,000 square kilometers. It's home to approximately three million large mammals and is made up of diverse landscapes. The southern region is dominated by lush grassy plains that attract around two million wildebeest, half a million zebras, and some quarter million antelopes to make the hazardous journey in

search of pasture when autumn rains come. You will end the day with dinner and an overnight stay at Serengeti Serena Safari Lodge in a standard room.

Day 7: Serengeti National Park to Manyara

After having breakfast, remember to take your lunch boxes with you. Serena Lodge.
