Accommodation

Heart & Soul Lodge Manyara

Many travelers rate Tarangire among their favorite national parks anywhere in Tanzania. Here in Tarangire, you can look for lions, leopards, and cheetahs. But you won't have to look hard to see baboons, vervet monkeys, wildebeest, giraffes, hippos, buffaloes and zebras. And you'll come across elephants and baobabs everywhere, two giants of the African bush. Also an enjoyable part of your Tarangire experience will be the rolling savannah scenery, which includes rivers and low hills. And while it can get busy, crowds of cars will not be a problem here.

Your day in and around Ngorongoro Crater could just be one of the most memorable of your whole safari. You'll almost certainly see large-tusked elephants, at least one of the Ngorongoro's four lion prides, and wandering clans of spotted hyenas. It also just happens to be one of Africa's most beautiful corners, a hidden world where you'll be surrounded by steep, deep-green crater walls, a salt lake, forests and hippo-filled waterways.
