WELCOME

At Viajes de Gala, we want your events to succeed. We have the experience, the team and the suppliers for each and every event to comply with your expectations.

Our experience speaks for us. Among the recent events we hosted, we can highlight:

- The diplomatic and commercial mission of Her Royal Highness, Princess Astrid of Belgium. We were in charge of the transportation logistics in Mexico City and Monterrey for Her Highness' team and 300 business partners.

- The 2019 diplomatic mission of a Luxembourg Embassy commission in the United States.

There are many factors to consider when selecting a venue for a large-scale event-such as a congress, a fair, a convention, an expo or an incentive trip.

The success of your event depends on the adequate selection of the pieces. Among such factors you have to consider:

1. ***number*** *of attendants.*

2. ***the type of event*** *you are hosting*

3. ***the type and quantity of venues*** *the location has to offer, their capacity.*

4. ***the airport infrastructure,*** *and the connectivity with your destination.*

5. ***hotel infrastructure,*** *availability of rooms and restaurants, as well as their variety and capacity*

6. ***highway infrastructure*** *and how easy it is to move around the location, as well as local transportation methods*

7. ***local touristic*** *infrastructure*

8. ***local suppliers*** *and the possibility to move them around, as well as the cost that implies, among many other details.*
