A STAR BRIGHTER THAN THE SUN

ACAMAR

NILE CRUISE

A STAR BRIGHTER THAN THE SUN

In the Star constellation “River”, Acamar is the brightest star, shining at the end of the river.

And like outer space, our Acamar glows at the end of the Nile River, shining a light on new strories and some untold secrets in the land of pharaohs.

Come and experience the magic of the old with modern and exceptional service in a land rich in history and tradition.
