Health and hygiene measures throughout the hotel focus on guests' wellbing, with enhanced levels of sanitation. They include:

- Easy access to health stations with hand wipes, hygiene gel and temperature readers for everyone
- Temperature screening at entrances
- Face masks an d gloves worn by team members at all times and changed regularly
- Regular and thorough cleaning with special attention on high-touch areas, using disi nfectants approved by the Environment Protection Agency and electrostatic spray technology for full coverage
- Guidance on physically distancing in elevators and other public areas
- Ongoing training to ensure that our team members are fully updated baked pastries.

Our measures are in line with guidance from Department of Health, Ministry of Public Health and several expert advisory organizations including Ecolab and Diversey, global leaders in delivering excellence in cleaning and hygiene technology.
