After breakfast, transfer to visit Jarash; the best-preserved Roman city of the Decapolis. Entering the city through the monumental South Gate, one comes upon the lovely Oval Plaza, the Temple of Zeus, and the South Theater, which seats more than 3,000 spectators. Walking through the Colonnaded Street, one can see the Market Place, the Omayyad residential quarter, a 4th century AD cathedral, St. Theodore's Church, the Nymphaeum, and the North Theater.

Transfer to the biblical city of Anjara. It is believed that Jesus Christ and his disciples including Virgin Mary passed through Anjara once and rested in a cave there during a journey between Jerusalem and Galilee. Then, visit the nearby Cave of Jesus that has long been a holy place for pilgrims. Then proceed to Tell Mar Elias that has long been identified with Tishbe, mentioned in the Bible as the hometown or region of the Prophet Elijah. The remains of one of the largest known Byzantine churches in Jordan can also be found at the site. After that drive to visit Pella that is one of the richest archaeological sites in Jordan; In AD 67 Pella provided a refuge of some Christians fleeing the Roman destruction of Jerusalem. Then return to Amman

After breakfast, drive to Madaba (home of the most famous Byzantine mosaics); Visit the greatest and most significant of all the city's treasures, the wonderful mosaic map of ancient Palestine, which is located on the floor of the Greek Orthodox Church of St. George.

Then visit Mount Nebo, which dates back to the time of the Prophet Moses, around the 12th century BC. It is believed to be the site of the Prophet's burial place and the point from where he viewed the "Promised Land". Drive to visit Bethany where Jesus Christ was baptized by John the Baptist. Stunning archaeological discoveries between the Jordan River and Tall al-Karrer since 1996 have identified this area as biblical "Bethany beyond the Jordan" where John was living when he baptized Jesus. Continue to the Dead Sea (the lowest point on the earth) to enjoy swimming and floating on its salty water.

Once of a sudden you will be facing Petra's most famous monument the Treasury (el-Khazneh). Free time for exporing the site.
