Serengeti Wonders will quench tour wanderlust withing the pure African nature. The experience will be magnificent as you will have a chance to see wild animal so close giving you the best chance to keep the memory in the photographs form. The experience with be with our professional safari guide (mostly speaking your native language such as French, Spanish, Germany, Italian or commonly English) in a comfy 4x4 open roof safari jeep with some other accessories such as power sockets and binoculars, where full board meal plan will be included throughout the 3 days of safari.

Tour Highlights: #wildebeest Migration Safari, #Serengeti Migration Safari #3 Days Migration Safari #Ngorongoro Crater Safari #Serengeti-Ngorongoro Safari

Itinerary Introduction: Your three days safari excludes the arrival and departure day. The tour will starts and ends in Arusha town, where the first day will be of a long drive from Arusha to Serengeti to witness the wildebeest Migration with an overnight in Serengeti, the second day will be having the Serengeti Safari then take a drive to Ngorongoro where you will overnight outside the Ngorongoro crater. The next day which is the last day will be entering the Ngorongoro crater and have the tour in and exit the crater and take a drive back to Arusha town.

Day 1 Arusha to Serengeti Ndutu for the Great Migration witness

The day will start with the pick-up from your hotel and take a drive heading to the Serengeti passing through Ngorongoro conservation area. You will then head to the Ndutu area to witness the great Migration then you will find a place for your lunch. There will be then an evening game drive before checking-in at your accommodation facility for dinner and overnight stay.

The aim of the day is targeted to the great wildebeest migration, the largest movement of herds of mainly wildebeest and zebra, but not limited to other animals like antelopes and the predators.. as Per the season, it's the calving season of the wildebeest making it the best time to visit between the Month of Mid-December to April each year

Main Destination: Ndutu (Southern Serengeti)

Accommodation: Ndutu Heritage Camp a Mid-range tented camp located at Ndutu

Meals: 3 Meals includingdrinking water

Day 2 Serengeti Ndutu for Great Migration and Then Transfer to Ngorongoro for Your Overnight on the Rim

Preferably the day to starts early in the morning to lastly enjoy the sight of the great migration before starting a drive with an en-route game heading to the Ngorongoro.Reaching in Ngorongoro, you will head toward the crater and overnight at its Rim making it easy to the next day's descending down the crater rim early in the morning which increases the chance to see animals at their best active time.

The aim of the day is targeted to the great wildebeest migration, the largest movement of herds of mainly wildebeest and zebra, but not limited to other animals like antelopes and the predators.. as Per the season, it's the calving season of the wildebeest making it the best time to visit between the Month of Mid-December to April each year
