JOZANI AND PRISON ISLAND
09:00am you will be picked up with our guide to Jozani. The Jozani Forest cover an area approx 1000 hectares and is most famous for its inhabitants the Sykes monkey and the rare Red Colobus monkeys that are endemic to Zanzibar. After the tour proceeding to stone town to the start point to Prison island

The Prison Island or Changuu Island is the middle Island of three visible from the Stone Town. The prison on list its Island was built in 1893. Historically this small Island was used as a point of concealment of slaves later becomes a temporary hospital and a quarantine Island especially. During the outbreak of contagious disease in the last century

In the 1820s Sultan Said brought a number of giant's tortoise from Seychelles to Changuu Island. Even today you can see them. Many different birds can be seen. The Island itself is endowed in natural features with pure white sandy beaches for swimming and the colorful coral reef for snorkeling.
A 35 minutes' boat trip takes you out to this Island resort where you can enjoy a few hours.
