Day 1

The trip departs from Semera at 9:30am in the morning. You drive about 4-5 hours to Hamedilla via Afdera. Afdera is a small town in Afar region with a population of about 10000 peoples. Danakil has favorable conditions, rocky coast, sustenance and uncomfortable places, unpleasant and not offering hospitality regions of the world, but it has many enchanting natures and different kinds of colors with elements rich in minerals with a lot of salt water springs and bubbling oil lakes. It has different places with different points of altitudes below sea level. They are lying more than 100 meters below sea level. After you eat your lunch in the town of Afdera and proceed to Hamedilla. On the way you will see different outstanding landscapes and the local people's culture and their beautiful way of life. Taking your sun set time in the salt lake Assale (-121 below sea level) and camping at Hamedilla.

Overnight: Camping at Hamedilla

Day 2

Early morning drive to Dalol which has many different water springs. The sulfur lake, oil lake, salt mining area with camel caravans, salt mountains etc.. You look at all the sites and watch how the salt is dug from the ground and loaded onto camels in the mining place. And visit each place following the guides and with the local people who know the place very well. And drive to Erta Ale and overnight there.

Overnight: Erta Ale

Day 3

At 5.30am early in the morning you will see the striking activities of the volcano during the daytime. You will be back to the camp 30 minutes trekking down. You will pass with scattered small desert trees and an igneous rock from the many years of eruption of the volcano. And you will eat your breakfast on the camp Askoma. After 1 hour rest and arranging of cooking materials and all the sleeping materials, you will proceed to Lake Afdera for lunch. You can swim in this salt lake. And then proceed back to Semera and fly back to Addis.
