4 days serengeti national park.

this safari package will give you an exciting opportunity to visit the most beautiful parks in the northern Tanzania. This includes visiting the endless plains of serengeti national park. It is renowned for its grassland plains in the southeast. The northern part is more hilly and rocky. To the west, valleys, rivers and forest can be found. The land is stunning and feels like untamed wilderness. All the major safari animals occur in great numbers. You will also visit the Ngorongoro Crater which is locally known as the garden of animals where there is a big chance to spot the big five in one day.

Day 01: Arusha to serengeti national park:

Pick up at 6:30 AM from your hotel in Arusha and proceed towards serengeti national park, via the beautiful high lying farmland of Karatu and the Ngorongoro Conservation Area. Leaving the highlands behind, we descend into the heart of wild Africa - the serengeti national park with its endless plains, rolling into the distance as far as the eye can see.
