Day 09: Paro - Excursion to Taktsang (Tiger nest)

After breakfast, drive for half an hour and start the hike, which is about 5 hours (round trip.) The trail is along an ancient path marked by river-powered prayer wheels. As you reach Taktsang you will be struck by the architectural wonder of this most pious Buddhist shrine in Bhutan. Perched some 1000m, 3000ft on a cliff overlooking the valley; it would justifiably qualify as one of Bhutan's wonders. Tragically wrecked in a fire early in 1998. It has been rebuilt to its original glory. It is said that the legendary Indian saint, Guru Padma Sambhava, flew from Tibet on the back of a tigress to tame five demons, who were opposing the spread of Buddhism in Bhutan in 746 A.D. Hence the name, Taktsang, or the "Tiger's Lair." Descend back to Ramthangka.

If time permits, drive further north to visit another symbolic structure, which is now under reconstruction. Drugyel Dzong, or ""Castle of the Victorious Drukpa," which was also built by the Shabdrung to commemorate Bhutan's victory over the Tibetans in the 16thcenturies. From here, the Jomolhari Peak ("Mountain of the Goddess") can be seen on a clear day (Alt. 7,329m/24,029ft.). Overnight at hotel.

Day 10: Paro - Departure

After breakfast, drive to Paro international airport for your onward flight. The representative of Bhutan Soul Tour and Travel will see off and bid farewell.
