5 Day Kidepo Valley National Park Safari (Tent).

Embark on an exhilarating 5-day Kidepo Valley National Park safari and immerse yourself in the raw beauty of Uganda's wilderness. This carefully crafted itinerary promises an unforgettable experience, combining thrilling wildlife encounters, stunning landscapes, and cultural insights.

Day 1: Upon arrival in Entebbe, you'll be greeted by our knowledgeable guide who will transfer you to your hotel for a well-deserved rest, preparing you for the excitement ahead.

Day 2: After breakfast, catch a domestic flight to Kidepo Valley National Park, located in northeastern Uganda. The park's remote location and dramatic savannah landscapes make it a hidden gem. Embark on an afternoon game drive, where you'll have the chance to spot majestic lions, elephants, giraffes, and buffalos.

Day 3: Rise early for a sunrise game drive, witnessing the park awakening to a new day. Capture breathtaking photographs as the animals roam freely in their natural habitat. In the afternoon, visit the Karamojong community, known for their rich cultural heritage. Engage in traditional dances, learn about their way of life, and enjoy the warmth of their hospitality.

Day 4: Today, explore the Narus Valley, renowned for its diverse wildlife population. Keep your eyes peeled for leopards, cheetahs, zebras, and the rare Rothschild's giraffe. Enjoy a picnic lunch surrounded by the stunning landscapes, immersing yourself in the serenity of nature.

Day 5: Conclude your safari adventure with a final game drive, giving you the opportunity to spot any missed wildlife sightings. Afterward, bid farewell to the park as you depart for Entebbe, where our guide will transfer you to the airport, ensuring a safe journey home or to your onward destination.

This 5-day Kidepo Valley National Park safari is a perfect blend of thrilling wildlife encounters, cultural experiences, and breathtaking landscapes. It's an opportunity to connect with nature and create lasting memories in one of Uganda's most unspoiled wilderness areas.
