Serengeti is really special sights, sound, and smell of Africa with stunning scenery, ever changing light and entertaining wildlife. In this park the animal don't work to any schedule so we may find Lions, Leopard, Elephant, Zebra, Cheetah, Antelope, Gazelle, Hippos and many species of birds and reptiles during our game drive.

DAY 4: Full game drive in Ngorongoro crater

Today after breakfast you will do game drive on route while heading to Ngorongoro crater often referred as wonder of world. You will do a game drive break for picnic lunch and late evening ascend from crater and drive for dinner and overnight in the lodge.

This is World largest caldera fully of grassland, forest and swamp, a setting of jaw-dropping beauty. The permanent water of crater floor supports a resident population of more than 25,000 large mammals. Here you will find many of reason you chose to do Safaris in Tanzania. Lions, Waterbuck, Hippo Baboons, Black Rhino, leopard, Hyena, Jackal, Buffalo, Warthog, Gazelle and many more are shelter here.

Maasai are sharing the awesome space with animals, their cattle in an area which has been a separate conservation area since 1956 and a UNESCO World Heritage site since 1978. This harmonious co-habitation of Man and beast makes Ngorongoro unique in the world.

DAY 5: To Lake Eyasi

Today early in the morning around 12:00am we will start driving to Lake Eyasi to visit Hadzabe and Datoga tribe and join them in their daily activities; you will break for the picnic lunch and late noon drive back to your lodge in Karatu.

Hadzabe Tribe
Take a journey into the "Gods must be crazy" movie. The Hadzabe tribe of Tanzania is the last true nomads of Africa, this tribe is one of the earliest humans' inhabitants of Ngorongoro area, they believed to have lived in the area over 10,000 years and currently live near Lake Eyasi, they speak click language and they are not warrior tribes. You will join the men as they hunt for their daily subsidence using traditional bow and arrows, or join the women as they forage for fruits and berries. This is not a show or a "tourist put on". This is the real true African cultural experience.

Datoga Tribe
Visiting the Datoga tribe will complete your cultural experience at Lake Eyasi. The Datoga are skilled farmers and craftsman. You will visit their habitat, and experience their culture first hand. Be prepared for the experience of a lifetime

DAY 6: To lake Manyara national park
