Day 1: Arrival - Tarangire National Park - Ngorongoro Region

Day Itinerary

After breakfast, depart and drive 2 hours to Tarangire National Park arriving with packed lunch for a day game viewing activity - Much of the area has an unusual landscape, dotted with Baobab trees giving it an almost pre-historic look. It is also one of the best places in Northern Tanzania to see elephants, especially along the river in the dry season. Later proceed to Ngorongoro Region for dinner and overnight at the Lodge in Standard room FB

Tarangire National Park

Located just a few hour's drive from the town of Arusha, Tarangire is a popular stop for safaris traveling through the northern circuit on their way to Ngorongoro and the Serengeti. The park extends into two game-controlled areas and the wildlife is allowed to move freely throughout. After the Serengeti, Tarangire has the greatest concentration of wildlife in Tanzania, and in the dry season the Tarangire River is a magnet for thirsty wildlife. Large herds of elephants and migratory wildlife gather and not surprisingly the predators follow.

Day 3: Manyara Game Drive - End of Itinerary

Day Itinerary

After an early breakfast, you will depart for a morning game drive in Lake Manyara National Park one of the most diverse known Park for its distinct Ecological zones ranging from the rocky Rift wall and the groundwater forest to woodland, open grassland, and swamp. It is also a birding paradise (with more than 380 species)

Later in the afternoon drive to Arusha and proceed to Kilimanjaro Airport for an onward connection flight back to Zanzibar / Dar

Lake Manyara Game Drive

Lake Manyara is best used as a soft introduction to a safari. While the scenic beauty of this park certainly makes it worth a visit, the game viewing here pales into insignificance when compared with that on offer in Tarangire, the Ngorongoro, and the Serengeti. Famous for its tree-climbing lions, flamingos, breath-taking scenery, and the soda-ash lake in the center, Manyara merits a day trip but not much longer. The main activity at Lake Manyara is daytime game driving, although the park has recently started to offer night safaris, and the camps deep inside the park offer short walks.
