WELCOME TO GIBRALTAR

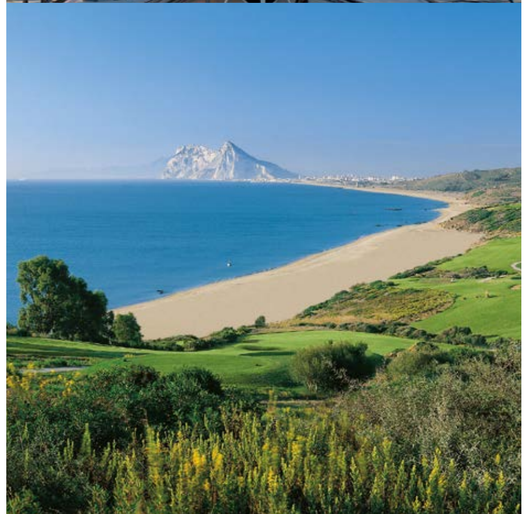

SITUATED ON THE DYNAMIC SOUTHERN MOST TIP OF WESTERN EUROPE, WHERE THE WHITE ATLANTIC SURF MEETS THE CALM WATERS OF THE MEDITERRANEAN, GIBRALTAR IS AN EXCITING NEW EVENTS AND CONFERENCES DESTINATION.

Gibraltar itself has much to offer – spectacular geography, ancient limestone caves, tropical gardens, history and entertainment - all within minutes of the hotel. But venture a little further afield to the Spanish mainland or across the sea to North Africa and there's plenty more to explore. A 20–30 minute drive north brings five highly regarded golf courses within easy reach, each considered to be among the finest in Europe: Club de Golf Valderrama, San Roque Club, Real Club de Golf Sotogrande, La Duquesa and Finca Cortesin – as well as exclusive polo clubs and Formula 1 level racing tracks. If you'd like to try your hand at wind-or kite-surfing, head west along the coast to Tarifa for some of the best surfing on the continent.

For the more adventurous, a short private boat crossing to exotic Tangier offers the opportunity to experience this ancient city's medieval Medina, with its famous souk, gardens and mosques.

Make your next event memorable by hosting it in one of Europe's most prestigious locations.
